I. DOCUMENT SUBMISSION

- A. The Permittee shall submit copies of all Uniform Hazardous Waste manifests or other documentation for any hazardous and/or non-sewerable wastes which were transported off-site for disposal or recycling during the reporting period.

Also, the Permittee shall submit copies of all receipts for any hazardous and/or non-sewerable wastes which were recycled on-site or sold as product during the reporting period.

Please check the appropriate section:

- I have enclosed copies of all Uniform Hazardous Waste manifests and/or receipts for the off-haul of hazardous and/or non-sewerable wastes for this reporting period. I have also enclosed all receipts for the on-site recycling and/or sales of hazardous and/or non-sewerable wastes for this reporting period.
- There were no hazardous or non-sewerable wastes which were transported off-site, recycled on site, or sold as product during this reporting period.

- B. The Permittee may be required to submit copies of operations and/or maintenance logs. Please check your current Permit to determine if this applies to your facility.

Please check the appropriate section:

- I have enclosed copies of the operations and/or maintenance log(s) which documents the activities that occurred during this reporting period.
- The facility's current Industrial Wastewater Zero-Discharge Permit does not require the submittal of copies of operations and/or maintenance logs.

II. NOTIFICATION OF CHANGE

The Permittee shall notify the District regarding any process changes, operational changes, treatment changes and/or changes in chemical usage, whether permanent or temporary, that have the potential to cause the Permittee to violate the terms and conditions of its current Industrial Wastewater Zero-Discharge Permit including, but not limited to, the discharge of process wastewater.

Please check the appropriate section:

- I have included documentation of the changes that have been made at the facility during the current reporting period.
- No changes have been made at the facility during the current reporting period.

III. CERTIFICATION

"I certify that the above named facility has been in consistent compliance with the terms and conditions of its Industrial Wastewater Zero-Discharge Permit and the District's Sewage Code (Chapter 7, Article 3)."

"I also certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."
