

Game Instructions

1. Mark starting location.
2. You must lock arms or hold hands except at cloud station.
3. If the spinner tells you to stay at the same location, mark that station again on your log, go to the back of the line, and wait your turn to spin again.
4. At the cloud station, partners separate and stand in a single-file line.
5. When leaving the cloud station, you must take the person behind you as your partner.
