- 8.C. Receive Presentation on Water Management Planning Bills – Assembly Bill 1668 and Senate Bill 606

Associate Civil Engineer Stan Kolodzie reviewed the item for the Board. He gave a presentation highlighting the following information pertinent to urban water suppliers, such as DSRSD: changes to water conservation rules, major provisions, water use efficiency standards and allowed variances, credit for potable reuse water projects, compliance reporting, enforcement measures, water management planning, and impacts to the District.

The Board and staff discussed the various impacts and implications of the newly passed legislation, and acknowledged that the District's current planning and conservation measures have positioned the District well moving forward. They also stressed that DSRSD stakeholders must actively engage with the Department of Water Resources to provide critical input on the water use efficiency standards to be implemented.

- 8.D. Receive Update on the Joint Tri-Valley Potable Reuse Technical Feasibility Study

General Manager McIntyre reviewed the item for the Board. He reported the Tri-Valley Liaison Committee met in March and discussed the six viable regional potable reuse projects identified by the Study. The Committee members presented the findings to their respective agencies, and will reconvene in September to discuss a proposed planning study. Mr. McIntyre stressed that acceptance of a planning study, however, does not necessarily constitute an agency's support of a project as some agencies have expressed concerns regarding project commitment, water quality, community support, and cost (\$120-220 million dollars). A project would come to fruition in 8-10 years if

support is ongoing. Staff will compile the agencies' council or board comments regarding the Study and share them with the Board.

The Board expressed both its support for completing the planning study, and its frustration at how slow the process to pursue a potable reuse project has become when the Tri-Valley is in dire need of implementing a solution as soon as possible.

TITLE: Adopt Revised Construction Project Acceptance by the General Manager Policy and Rescind Resolution No. 71-14

RECOMMENDATION:

Staff recommends the Board of Directors adopt, by Resolution, the revised Construction Project Acceptance by General Manager policy and rescind Resolution No. 71-14.

SUMMARY:

All District policies are reviewed on a rotating four-year cycle to ensure that they remain current and that the Board seated at that time continues to concur with those policies. The Construction Project Acceptance by the General Manager policy was approved in October 2014.

The current policy authorizes the General Manager to accept Capital Improvement Program construction projects and developer dedicated construction projects. The current policy also authorizes the General Manager to execute a Certificate of Acceptance form, substantially in conformance with Attachment A to the policy.

Staff has reviewed the policy and determined that the policy is still appropriate in its current form and that no major changes are needed. However, staff recommends a minor revision to Attachment A to the policy to remove the names of the former General Manager and District Secretary. This policy is scheduled to be reviewed again in 2022.

TITLE: Continue the Existing Low Income Assistance (LIA) Program without Modifications

RECOMMENDATION:

Staff recommends the Board of Directors approve, by Motion, continuation of the District’s existing Low Income Assistance (LIA) Program without modifications.

SUMMARY:

On October 5, 2010, the Board of Directors adopted Resolution No. 41-10 to provide rate relief to customers experiencing financial hardship. The Board action established a District program that would reduce the customer bill by a percentage of the Fixed Meter fee, and set that percentage at 100%. The program is paid for from “non-rate revenues” received from the lease of our cell towers, as funding from water rates would constitute an illegal subsidy prohibited under Proposition 218. In addition, staff was asked to review and adjust the percentage on an annual basis as necessary.

The fixed fee is currently \$36.45. As of June 2018, 206 households are enrolled in the program with an estimated program cost of approximately \$45,000. This is an increase from 171 households in 2017, but is far below the original household projections anticipated to take advantage of this program. The table below provides the LIA expenditures per fiscal year since inception of the program, and in total.

Fiscal Year Ending	LIA Expenditures
2011	\$3,645.44
2012	\$12,525.14
2013	\$12,744.63
2014	\$16,756.97
2015	\$18,536.43
2016	\$26,114.60
2017	\$34,907.25
2018	\$35,522.34
Total	\$160,752.80

Staff recommends the Board of Directors continue, by Motion, the District’s existing Low Income Assistance (LIA) Program, without modifications. The program has been well received and is at the maximum rate relief provided under the establishing resolution.

TITLE: Authorize Execution of Quit Claim of Easement of Property and Pipeline Easement with Dublin Unified School District for James Dougherty Elementary School (DP 00-006B)

RECOMMENDATION:

Staff recommends the Board of Directors approve, by Motion, the General Manager to execute a Quit Claim of Easement returning property and pipeline easements to the owner, Dublin Unified School District.

SUMMARY:

In February of 2004, the District received and recorded a grant of easement for use of three fire hydrants for the James Dougherty Elementary School site from Dublin Unified School District (DUSD). The grant of easement is included as Attachment 1. In 2016, Dublin Unified School District began a project to add additional relocatable classrooms. As part of this project, a conflict with the desired location of the new classrooms and the location of one of the pre-existing fire hydrants required DUSD to relocate that fire hydrant. This relocation resulted in a portion of the existing easement being no longer required. The District must now quit claim the easement associated with the relocated hydrants. The quit claim instrument is included as Attachment 2.

The new fire hydrant has since been installed, and the new grant of easement will be recorded after the execution and recordation of this quit claim.

TITLE: Receive Presentation on the Citizens Water Academy

RECOMMENDATION:

Staff recommends the Board of Directors receive a presentation on the recently completed Citizens Water Academy.

SUMMARY:

Per the direction of the Board, staff implemented the District’s first Citizens Water Academy from March through May, 2018. The purpose of the Academy was to make customers more familiar with the services the District provides to our community, to generate interest in serving on our Board, and to encourage customers to engage with their elected officials, especially on issues deemed important to the District. A brief *Summary Activity Report on 2018 Citizens Water Academy* is attached.

Event 2018 Citizens Water Academy

Date March 14, April 11, and May 9, 2018

Target Audience DSRSD customers interested in exploring service on the Board of Directors, and customers who engage with their elected officials

Description Per Board direction, staff developed the DSRSD Citizens Water Academy to make DSRSD customers more familiar with the District’s purpose, to build support for diversifying our water supply, and to encourage more people to participate in elections for the District’s Board of Directors. The Academy was

designed to give customers a basic understanding of the value the District contributes to our community: where the water comes from, how it’s treated, monitored and distributed; where the wastewater goes and how we recover resources from it, treat it and dispose of it safely; how we make recycled water and the many ways it is used; and, how we finance it all. Also, the Academy inspired customers to sign up for *DSRSDtoday* and *AquaHawk*, provided a basic understanding of serving on the DSRSD Board of Directors, and encouraged customers to engage with their elected officials when they feel strongly regarding pending legislation and/or regulatory issues.

Above: Two-sided bill insert sent to customers (1/15/18 – 2/18/18) attracted five of the 30 participants.

month) and were held in the District Office Boardroom at 7051 Dublin Blvd. in Dublin. Each session included a bus tour, dinner and several brief presentations with time for Q & A.

The Academy will be offered annually. Participation eligibility required that the applicant reside within DSRSD’s service area, be a registered voter and be at least 18 years old. Applicants were asked to commit to arriving on time (6 p.m.), staying to the end of the program (9 p.m.), and attending all three sessions.

Enrollees who met the eligibility requirements (DSRSD customer) were chosen to participate in the Academy using the following criteria (one being the most important):

1. Checked interested in exploring what’s involved in running for the DSRSD Board of Directors
2. Checked write legislators on public policy issues from time to time

Acceptance letters were mailed to 30 DSRSD customers filling the maximum seats available in DSRSD’s boardroom.

General Manager Dan McIntyre, Administrative Services Manager Carol Atwood, Engineering Services Manager Judy Zavadil, and Operations Manager Jeff Carson made the following presentations at the Academy:

- Wednesday, March 14 – Session #1 – District overview, Tri-Valley Water 101, DSRSD’s water system, water supply challenges, AMI and AquaHawk
- Wednesday, April 11 – Session #2 – Value of water, wastewater treatment process, WWTP master plan, asset management, and odor control.
- Wednesday, May 9 – Session #3 – Recycled Water, Financing and Graduation

Communicating with Customers in an Emergency

At the May session, participants were asked to complete a brief survey regarding the best way to communicate with them in an emergency. Sixteen attendees completed the survey. Top choices were automated phone message, email, and automated web notification.

TITLE: Review and Provide Direction on the Inaugural Presentations of State of Dublin San Ramon Services District, Fiscal Year 2017-2018

RECOMMENDATION:

Staff recommends the Board of Director direct staff, by Motion, to proceed with offering the *State of Dublin San Ramon Services District, FY 2018* presentations this fall.

SUMMARY:

A year ago, staff presented the Board with the idea of making annual presentations on the *State of DSRSD* to sister agencies and community groups. The Board decided the District should start modestly and make informal presentations at existing meetings: city councils, chambers of commerce economic development committee meetings, and community group meetings. More information on the proposed inaugural *State of DSRSD, FY 2018* presentations is in the attached staff report.

STAFF REPORT

District Board of Directors
August 7, 2018

Review and Provide Direction on the Inaugural Presentations of State of Dublin San Ramon Services District, Fiscal Year 2017-2018

BACKGROUND

In July 2017, staff presented the Board with the idea of making annual presentations on the *State of DSRSD* to city councils (Dublin, San Ramon, Pleasanton), Zone 7 Water Agency, and chambers of commerce (Dublin, San Ramon). The Board decided the District should start small and make informal presentations at existing meetings. Last year, staff thought we could roll out our inaugural *State of DSRSD* early in 2018. However, the Citizens Water Academy took priority and staffing transitions (no writer for five months) delayed the roll out until this fall. As it turns out, making the *State of DSRSD* presentation in the fall is advantageous for the following reasons: (1) the presentation is based on the District's fiscal year accomplishments (July 1, 2017 to June 30, 2018); and, (2) the District's FY 2018 annual report will be available to distribute to the audiences.

DISCUSSION

The plan is to develop three versions of the *State of Dublin San Ramon Services District, FY 2018* presentation, with all versions end with a *Question & Answer* option. A 10-minute version would be for city councils and the Zone 7 Water Agency; a 20-minute version would be created for service clubs, and community groups and organizations; and a 30-minute version would be for chambers of commerce economic development committees.

In all events, the presenter would need to participate in at least two rehearsals prior to presenting to an outside audience. The presentation would inform customers what's happening at DSRSD, and it would increase the District's credibility and visibility in the community which is beneficial when fostering regional partnerships on joint projects and potential future projects. Also, the presentation would highlight DSRSD's major achievements of FY 2018, including the following:

- Highlight DSRSD's services and the cities' water-related services, clarifying each agency's responsibilities regarding water in the broadest sense (drinking water, wastewater, recycled water, stormwater)
- Review the District's finances: where the money comes from and where it goes
- Explain operational achievements while providing 24/7/365 service
- Describe capital projects under construction and completed
- Focus on the progress of one or two of the District's strategic goals
- Allow time for questions and answers

RECOMMENDATION

Staff recommends the Board direct staff, by Motion, to proceed with offering the *State of Dublin San Ramon Services District, FY 2018* presentations this fall, as outlined in this staff report.

TITLE: Public Hearing: Adopt Engineer’s Report and Direct Levy of Annual Assessments in the Dougherty Valley Standby Charge District 2001-1 for Fiscal Year 2018-2019

RECOMMENDATION:

Staff recommends the Board of Directors hold a public hearing and adopt, by Resolution, the Engineer’s Report and direct staff to levy the annual assessments in the Dougherty Valley Standby Charge District 2001-1 for Fiscal Year 2018-2019.

SUMMARY:

Each year, Zone 7 provides estimated costs associated with the State Department of Water Resources (DWR) specifically tied to providing water service to Dougherty Valley. An updated Engineer’s Report is prepared that shows a projection of the costs expected to be incurred in the upcoming fiscal year and the allocation of those costs based upon equivalent dwelling units (“EDU’s”). The Board initially adopts a resolution of intention to levy annual assessments, followed by a public hearing at the next Board meeting. The Board adopted the Resolution of Intention on July 17, 2018.

After the public hearing, the Board adopts the Engineer’s Report and directs the levy of the assessment. These assessments are then placed on the tax roll. The annual assessment for Fiscal Year 2018-2019 is \$1,575,941.58 or \$170.75 per EDU.

3. ASSESSMENTS

The actual assessment and the amount of the Assessment for Fiscal Year 2018/19 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are listed in Section 5 of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Contra Costa and such records are, by reference, made part of this Report.

Method of Apportionment

The Assessments are apportioned according to the special benefits received by the lots, pieces, and parcels of land within the Standby Charge District. The proportionate benefit derived by each parcel is determined in relationship to the entirety of the Standby Charges. No assessment has been apportioned on any parcel that exceeds the reasonable cost of the proportional benefit conferred on that parcel.

Under this Report the Assessments for the Standby Charge District are apportioned in accordance with the foregoing and using the following criteria.

The Assessments for each parcel of land were apportioned based on the number of projected EDUs for build-out within that parcel.

For this purpose, a single family detached dwelling unit is equal to 1.0 EDU, a multi-family attached dwelling unit is equal to .40 EDU, and each acre of commercial land is equal to 4.0 EDU.

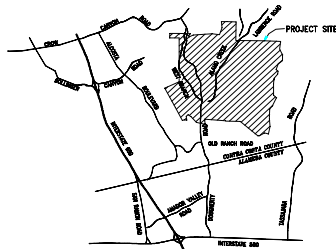

With respect to Windemere Ranch, the number of EDUs per parcel were originally determined at the time of district formation from the approved tentative subdivision maps for Phase 1, and for future phases, the number of EDUs per parcel were estimated by evenly distributing the remaining approved dwelling units within the project per the Dougherty Valley Specific Plan over the developable acreage within each parcel because the zoning is the same. No EDUs were assigned to parks, schools or open space areas. For this Report, the estimate of EDUs per parcel was updated based on current development for parcels that were subdivided.

With respect to Gale Ranch, the number of EDUs per parcel was originally determined at the time of district formation from the approved tentative subdivision map for Phase 2, and the tentative subdivision map dated May 27, 2001, submitted to the Contra Costa County for review for Phase 3. For the remaining areas of Gale Ranch (Phase 4), the number of EDUs was estimated based on the total approved dwelling units and non-residential land uses per the Dougherty Valley Specific Plan. No EDUs were assigned to parks, schools, or open space areas. For this Report, there have been no subdivisions or changes to the assumptions.

(Note: Phase 1 of Gale Ranch is not included in the Standby Charge District)
