

AGENDA

NOTICE OF REGULAR MEETING

TIME: 6 p.m.

DATE: Tuesday, May 4, 2021

PLACE: Teleconference

Pursuant to Governor Newsom’s Executive Orders N-25-20, N-29-20, and N-33-20, and local county health orders issued to address the COVID-19 pandemic, the Board meeting will be held via Teams Teleconference.

The District Boardroom will be closed to the public.

The public may observe and comment by electronic means as described on Page 4.

See Page 4 of the Agenda Packet for Teams Teleconference Access Information

Our mission is to protect public health and the environment by providing reliable and sustainable water, recycled water, and wastewater services in a safe, efficient, and fiscally responsible manner.

1. CALL TO ORDER
2. PLEDGE TO THE FLAG
3. ROLL CALL – Members: Goel, Halket, Johnson, Rubio, Vonheeder-Leopold
4. SPECIAL ANNOUNCEMENTS/ACTIVITIES
5. PUBLIC COMMENT (MEETING OPEN TO THE PUBLIC)
At this time those on the teleconference call are encouraged to address the Board on any item of interest that is within the subject matter jurisdiction of the Board and not already included on tonight’s agenda. Comments should not exceed five minutes. The President of the Board will recognize each speaker, at which time the speaker should introduce him/herself, and then proceed with his/her comment. Written comments of five minutes or less and received by 5 p.m. on the day of the meeting will be read into the meeting record.
6. AGENDA MANAGEMENT (CONSIDER ORDER OF ITEMS)
7. CONSENT CALENDAR
Matters listed under this item are considered routine and will be enacted by one Motion, in the form listed below. There will be no separate discussion of these items unless requested by a Member of the Board or the public prior to the time the Board votes on the Motion to adopt.
 - 7.A. Approve Regular Meeting Minutes of April 20, 2021
Recommended Action: Approve by Motion
 - 7.B. Approve Proclamation Honoring May 16–22, 2021 as National Public Works Week
Recommended Action: Approve by Motion
 - 7.C. Approve Amendment to the Capital Improvement Program Two-Year Budget and Ten-Year Plan to Increase the Camp Parks Water Main – Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) Budget, Award Construction Agreement to DPI, Inc., Authorize a Construction Change

Order Contingency, Approve Master Agreement for Consulting Services to AnchorCM, and Authorize Execution of Task Order No. 1

Recommended Action: Approve by Resolutions (3) and Authorize by Motion

- 7.D. Approve Fund Transfers for Repayment of Ratepayer Share of Expansion Fund Debt and Temporary Infrastructure Charge Obligations, from the Water Replacement Fund (Fund 610) to the Water Operations Fund (Fund 600), the Water Rate Stabilization Fund (Fund 605) to the Water Operations Fund (Fund 600), the Water Operations Fund (Fund 600) to the Water Expansion Fund (Fund 620), and the Water Expansion Fund (620) to the Water Rate Stabilization Fund (Fund 605)

Recommended Action: Approve by Resolution

- 7.E. Rescind Authorization for Task Order No. 11 with Zone 7 Water Agency under the Tri-Valley Intergovernmental Reciprocal Services Master Agreement for Tri-Valley Potable Reuse Preliminary Studies and Community Outreach and Education

Recommended Action: Rescind by Motion

8. BOARD BUSINESS

- 8.A. Receive Presentation on the Zone 7 Water Agency 2021 Annual Sustainability Report and Conservation Messaging and Provide Direction

Recommended Action: Receive Presentation and Provide Direction

- 8.B. Approve Continuation of District's State of Emergency in Response to COVID-19 Pandemic by General Manager and Find that the Need for the District's State of Emergency Still Exists

Recommended Action: Approve by Motion

- 8.C. Approve Proposed Livermore-Amador Valley Water Management Authority (LAVWMA) Operation and Maintenance Budgets for Fiscal Years Ending 2022 and 2023

Recommended Action: Approve by Motion

- 8.D. Receive Presentation and Support the Proposed DSRSD-EBMUD Recycled Water Authority (DERWA) Operation and Maintenance Budgets for Fiscal Year 2021–2022 and Fiscal Year 2022–2023

Recommended Action: Receive Presentation and Support by Motion

- 8.E. Receive Presentation on a Preview of Operating and Capital Budgets for Fiscal Years Ending 2022 and 2023

Recommended Action: Receive Presentation

- 8.F. Public Hearing: Adopt Engineer's Report and Direct Levy of Annual Assessments in the Dublin San Ramon Services District Dougherty Valley Standby Charge District 2001-1 for Fiscal Year 2021–2022

Recommended Action: Hold Public Hearing and Adopt by Resolution

- 8.G. Public Hearing: Adopt Annual Dougherty Valley Incremental State Water Project Charge Report and Direct the Levy of the Dougherty Valley Incremental State Water Project Charge for Non-Governmental Parcels on the Contra Costa County Secured Property Tax Roll and for Government Potable Water Customers on Utility Bills

Recommended Action: Hold Public Hearing and Adopt by Resolution

9. REPORTS

9.A. BOARD MEMBER ITEMS

- Joint Powers Authority and Committee Reports
- Submittal of Written Reports for Day of Service Events Attended by Directors
- Request New Agenda Items(s) Be Placed on a Future Board or Committee Agenda

9.B. Staff Reports

- Event Calendar
- Correspondence to and from the Board

10. ADJOURNMENT

All materials made available or distributed in open session at Board or Board Committee meetings are public information and are available for inspection during business hours by calling the District Secretary at (925) 828-0515. A fee may be charged for copies. District facilities and meetings comply with the Americans with Disabilities Act. If special accommodations are needed, please contact the District Secretary as soon as possible, but at least two days prior to the meeting.

Teams Teleconference Access Information

Dublin San Ramon Services District Regular Board Meeting Tuesday, May 4, 2021

If the public wishes to provide comments during Agenda Item 5 – Public Comment, or on any of the agenda items, please join the meeting using the teleconference instructions below, or email written comments to the Board of Directors at board@dsrsd.com by 5 p.m., Tuesday, May 4, 2021. Written comments, of five minutes or less, will be read into the meeting record during the public comment portion of the agenda or during discussion of the subject of the comment.

To Join by Computer or Device:

1. Click [Join Meeting](#).
2. Select how you want to join the Teams meeting.
3. Click “**Join now**.” You can personalize your video and audio preferences before or after joining.
4. Public participants would wait for the meeting host to admit you.
5. You must unmute yourself when you wish to speak by clicking the microphone icon, which is also used to mute yourself when you finish speaking.

To Join by Phone Only:

1. Dial **(831) 256-7773** USA Toll from any telephone.
2. Enter Conference ID **997 820 067#** when prompted. DO NOT PRESS *.
3. Wait for the meeting host to admit you. If you are unsuccessful in joining, hang up and dial in again.
4. You must unmute yourself when you wish to speak by pressing *6, which is also used to mute yourself when you finish speaking.

Video Teleconference Meeting Instructions and Information:

- Stay muted unless speaking.
- Listen for prompts to know when public comments are solicited.
- You must unmute yourself when you wish to speak during Public Comment or during discussion of a particular agenda item. The meeting host can mute but cannot unmute participants.
- Announce yourself and speak slowly and clearly when commenting.
- Call (925) 875-2224 if you experience any technical difficulties.

Boardmembers and staff will be attending the meeting via teleconference. The Board will convene any Closed Sessions on a separate teleconference line and return to the open teleconference meeting for the next agenda item when the Closed Session is completed. The open teleconference meeting will be muted during this time and will resume for the Closed Session report and meeting adjournment.

The Boardroom is closed to the public.

All votes during the meeting will be taken by roll call vote.

**DUBLIN SAN RAMON SERVICES DISTRICT
MINUTES OF A REGULAR MEETING OF THE BOARD OF DIRECTORS**

April 20, 2021

Pursuant to Governor Newsom’s Executive Orders N-25-20, N-29-20, and N-33-20, and local county health orders issued to address the COVID-19 pandemic, this Board meeting was held via Teams teleconference. The District Boardroom is closed to the public; however, the public may observe and comment by calling in to the teleconference meeting per the instructions provided on page 3 of the agenda. As required by the Brown Act, all votes were taken by roll call vote due to the attending Directors participating via teleconference.

1. CALL TO ORDER

A regular meeting of the Board of Directors was called to order at 6 p.m. by President Johnson.

2. PLEDGE TO THE FLAG

3. ROLL CALL

Boardmembers present at start of meeting:

President Ann Marie Johnson, Vice President Richard M. Halket, Director Marisol Rubio, Director Arun Goel, and Director Georgean M. Vonheeder-Leopold.

District staff present: Dan McIntyre, General Manager; Jan Lee, Assistant General Manager; Carol Atwood, Administrative Services Director/Treasurer; Judy Zavadil, Engineering Services Director/District Engineer; Jeff Carson, Operations Director; Douglas E. Coty, General Counsel; and Nicole Genzale, Executive Services Supervisor/District Secretary.

4. SPECIAL ANNOUNCEMENTS/ACTIVITIES

- Presentation from the Alameda County Science and Engineering Fair Award Winner Hiya Shah

5. PUBLIC COMMENT (MEETING OPEN TO THE PUBLIC) – 6:12 p.m. No public comment was received.

6. AGENDA MANAGEMENT (CONSIDER ORDER OF ITEMS) – No changes were made.

7. CONSENT CALENDAR

General Manager McIntyre advised the Board of a typo in the Item 7.A draft minutes under Item 8.B – he noted the Hopyard Well should be identified as #3 instead of #7.

Director Vonheeder-Leopold MOVED for approval of the items on the Consent Calendar, with the correction to be made to the April 6, 2021 Regular Meeting Minutes as noted. Director Rubio SECONDED the MOTION, which CARRIED with FIVE AYES per roll call vote.

7.A. Approve Regular Meeting Minutes of April 6, 2021 – Approved

- 7.B. Approve Increase to the Construction Change Order Contingency for the Primary Sedimentation Expansion and Improvement Project (CIP 17-P004) – Approved – Resolution No. 19-21

8. BOARD BUSINESS

- 8.A. Approve Continuation of District's State of Emergency in Response to COVID-19 Pandemic by General Manager and Find that the Need for the District's State of Emergency Still Exists

Vice President Halket MOVED to Approve Continuation of District's State of Emergency in Response to COVID-19 Pandemic by General Manager and Find that the Need for the District's State of Emergency Still Exists. Director Vonheeder-Leopold SECONDED the MOTION, which CARRIED with FIVE AYES per roll call vote.

- 8.B. Approve Intention to Levy Annual Assessments in the Dougherty Valley Standby Charge District 2001-1 for Fiscal Year Ending 2022

Financial Analyst Mayette Bailey reviewed the item for the Board. The Board and staff further discussed the history and purpose of the assessment. Staff confirmed that the assessment is a “pass-through” that DSRSD facilitates on Zone 7 Water Agency’s behalf for the cost of water services to parcel owners in Contra Costa County. Staff also explained that the California Department of Water Resources State Water Project determines the cost of the service each year and does a reconciliation the following year to “true-up” any cost adjustments to the parcel owners.

Director Vonheeder-Leopold MOVED to Approve Resolution No. 20-21, Intention to Levy Annual Assessments in the Dougherty Valley Standby Charge District 2001-1 for Fiscal Year Ending 2022. Director Goel SECONDED the MOTION, which CARRIED with FIVE AYES per roll call.

- 8.C. Approve Nomination of Director Georgan Vonheeder-Leopold as the Alternate Special District Member to the Alameda County Local Agency Formation Commission (Alameda LAFCo) and Appoint Alternate Voting Delegate

Management Analyst I Vivian Chiu reviewed the item for the Board. The Board commended Director Vonheeder-Leopold for her years of continued service on the Alameda LAFCo Board of Directors.

Vice President Halket MOVED to Approve Resolution No. 21-21, Nominating Dublin San Ramon Services District Director Georgan Vonheeder-Leopold for the Alternate Special District Member Seat on the Alameda County Local Agency Formation Commission (LAFCo). Director Rubio SECONDED the MOTION, which CARRIED with FIVE AYES per roll call vote.

Director Rubio MOVED to Appoint Vice President Halket as the Alternate Voting Delegate to the Independent Special District Selection Committee Election on May 12, 2021. Director Goel SECONDED the MOTION, which CARRIED with FIVE AYES per roll call vote.

- 8.D. Discuss the Special District Leadership Foundation's District of Distinction Accreditation Program and Provide Direction Regarding the District's Interest in Participating

Executive Services Supervisor/District Secretary Genzale reviewed the item for the Board. The Board and staff discussed facets of the program including the training requirements, associated program costs (application fee, trainings, staff time), and benefits of pursuing the accreditation.

Director Vonheeder-Leopold MOVED to Direct Staff to Begin the Application Process for the Special District Leadership Foundation's District of Distinction Accreditation Program. Director Rubio SECONDED the MOTION, which CARRIED with FOUR AYES and ONE NO (Halket) per roll call vote.

- 8.E. Adopt Revised Water Supply, Storage, Conveyance, Quality and Conservation Policy, Renamed to Water Resiliency Policy, and Rescind Resolution No. 89-15

Assistant General Manager Lee reviewed the item for the Board. The Board discussed various aspects of the current policy and the proposed policy revisions. The Board also conveyed its appreciation that the revised policy has a two-year review timeline so the Board can make timely adjustments in alignment with ongoing Tri-Valley supplemental supply efforts and in consideration of the District's next proposed budget.

Director Goel MOVED to adopt Resolution No. 22-21, Revising the Water Supply, Storage, Conveyance, Quality and Conservation Policy, Renaming the Policy to the Water Resiliency Policy, and *Rescinding Resolution No. 89-15*. Director Vonheeder-Leopold SECONDED the MOTION, which CARRIED with FIVE AYES per roll call vote.

9. REPORTS

9.A. Boardmember Items

- Joint Powers Authority and Committee Reports
DSRSD/City of Pleasanton Liaison – April 15, 2021
DSRSD/Zone 7 Water Agency/City of Dublin Liaison – April 19, 2021

President Johnson invited comments on the recent Committee activities. Directors felt the available staff reports adequately covered the many matters considered at the Committee meetings and made a few comments about some of the Committee activities.

- Submittal of Written Reports for Day of Service Events Attended by Directors

Director Vonheeder-Leopold submitted written reports to Executive Services Supervisor/District Secretary Genzale. She reported that she attended the Alameda County Special Districts Association Executive Committee meeting on April 14 and the California Association of Sanitation Agencies Board of Directors meeting on April 15. She summarized the activities and discussions at the meetings.

- Request New Agenda Item(s) Be Placed on a Future Board or Committee Agenda

President Johnson requested that items regarding the District’s messaging on conservation and recycled water fill stations be scheduled for an upcoming meeting.

Vice President Halket requested staff to review which Liaison Committee meetings are due to meet in the near term and work to schedule them soon while agencies are conducting virtual meetings, as they are easier for representatives to attend.

9.B. Staff Reports

- Event Calendar – General Manager McIntyre had nothing to report.
- Correspondence to and from the Board on an Item not on the Agenda – None

10. ADJOURNMENT

President Johnson adjourned the meeting at 7:40 p.m.

Submitted by,

Nicole Genzale, CMC
Executive Services Supervisor/District Secretary

TITLE: Approve Proclamation Honoring May 16–22, 2021 as National Public Works Week

RECOMMENDATION:

Staff recommends the Board of Directors approve, by Motion, a Proclamation honoring May 16–22, 2021 as National Public Works Week.

SUMMARY:

National Public Works Week is a celebration of the tens of thousands of men and women in North America who provide and maintain the infrastructure and services collectively known as public works.

National Public Works Week is observed each year during the third full week of May. Instituted as a public education campaign by the American Public Works Association (APWA) in 1960, National Public Works Week seeks to energize and educate the public on the importance of public works to their daily lives.

This year’s National Public Works Week theme is “**Stronger Together.**” As cited by APWA, the theme “challenges our members and their citizens to think about the role public works plays in creating a great place to live. By working together, the impact citizens and public works professionals can have on their communities is magnified and results in the ability to accomplish goals once thought unattainable.”

The District has a \$29.8 million budget in infrastructure and other capital improvement projects planned for its Capital Improvement Program for fiscal year ending 2021.

Financial Review: Not Required	Cost and Funding Source: N/A	
Attachments: <input type="checkbox"/> None <input type="checkbox"/> Resolution <input type="checkbox"/> Ordinance <input type="checkbox"/> Task Order <input checked="" type="checkbox"/> Proclamation <input type="checkbox"/> Other (see list on right)		

Proclamation

Honoring

National Public Works Week: May 16–22, 2021

WHEREAS, Dublin San Ramon Services District celebrates National Public Works Week with a \$29.8 million budget in infrastructure and other capital improvement projects planned in its Capital Improvement Program for Fiscal Year Ending 2021; and

WHEREAS, public works services provided by the District in its service areas are an integral part of the citizens' everyday lives; and

WHEREAS, the support of an understanding and informed citizenry is vital to the efficient and effective operation of public works systems and programs such as water, recycled water, and sewers; and

WHEREAS, the efficiency and effectiveness of qualified and dedicated public works personnel is materially influenced by the people's attitude and understanding of the importance of the work they perform; and

WHEREAS, this year's National Public Works Week theme is "**Stronger Together.**" As cited by the American Public Works Association, the theme "challenges our members and their citizens to think about the role public works plays in creating a great place to live. By working together, the impact citizens and public works professionals can have on their communities is magnified and results in the ability to accomplish goals once thought unattainable."

NOW, THEREFORE, BE IT PROCLAIMED that the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa celebrates

May 16–22, 2021 as National Public Works Week

Dublin San Ramon Services District calls upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort, and quality of life.

Adopted this 4th day of May, 2021

Ann Marie Johnson, President

Richard M. Halket, Vice President

Marisol Rubio, Director

Arun Goel, Director

Georgean M. Vonheeder-Leopold, Director

Nicole Genzale, District Secretary

TITLE: Approve Amendment to the Capital Improvement Program Two-Year Budget and Ten-Year Plan to Increase the Camp Parks Water Main – Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) Budget, Award Construction Agreement to DPI, Inc., Authorize a Construction Change Order Contingency, Approve Master Agreement for Consulting Services to AnchorCM, and Authorize Execution of Task Order No. 1

RECOMMENDATION:

Staff recommends the Board of Directors approve, by three (3) separate Resolutions, the following actions:

1. Approve a budget adjustment to the Capital Improvement Program Two-Year Budget to increase the Camp Parks Water Main – Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) (“Project”) budget by \$1,219,000, from \$1,479,000 to \$2,698,000.
2. Award a construction agreement for the Project to DPI, Inc., the lowest responsive, responsible bidder, in the amount of \$1,621,520, and authorize a 15 percent construction change order contingency.
3. Approve a Master Agreement for Consulting Services with AnchorCM for construction management services.

Staff also recommends the Board of Directors authorize, by Motion, the General Manager to execute Task Order No. 1 to the Master Agreement for Consulting Services with AnchorCM in an amount not to exceed \$316,700 for construction management services.

SUMMARY:

The Capital Improvement Program Two-Year Budget includes the Camp Parks Water Main – Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) (“Project”). In preliminary design, staff expanded the Project scope to replace additional water pipes in the vicinity of the Project. Staff requests the Board approve a budget adjustment of \$1,219,000, from \$1,479,000 to \$2,698,000, to cover the cost of the additional water pipes. Staff also requests the Board award a construction agreement to DPI, Inc. and authorize a 15 percent construction change order contingency, as well as approve a Master Agreement for Consulting Services with AnchorCM for construction management and inspection services and authorize the execution of Task Order No. 1 to the agreement.

DISCUSSION:

In the late 1990’s, the District took over the utilities within Parks Reserve Forces Training Area (Camp Parks). Many of the water pipes within Camp Parks are cast iron pipes installed in the 1940’s. The pipes are the oldest pipes within the District’s service area, have a history of leaks, and are the source of discolored water complaints due to corrosion of the cast iron. The Project will replace approximately 4,650 linear feet of the water mains in Camp Parks on 12th Street, Mitchell Drive, and Evans Avenue and install new water services, water meter boxes, backflow preventers, and fire hydrants, and reconnect existing fire service connections to buildings with fire sprinkler systems. The adopted budget for the Project is \$1,479,000, funded 100 percent by Water Replacement (Fund 610).

Budget Adjustment:

The original project scope of work included the replacement of 3,300 linear feet of water pipes including a pipeline parallel to Cromwell Avenue, and two separate pipeline segments in portions of 12th Street and Mitchell Drive. In preliminary design, staff revised the project scope based on current development within Camp Parks, the most recent Camp Parks Master Plan, and a review of the pipelines in the area. The pipeline parallel to Cromwell Avenue was removed from the Project because Camp Parks was required to relocate the pipeline as part of a development project. A section of pipeline between Mitchell Drive and 12th Street and a section of pipe in Evans Avenue were added to the

Originating Department: Engineering Services	Contact: R. Portugal	Legal Review: Not Required
Financial Review: Not Required	Cost and Funding Source: \$1,219,000 from Water Replacement (Fund 610)	
Attachments: <input type="checkbox"/> None <input checked="" type="checkbox"/> Resolutions (3) <input type="checkbox"/> Ordinance <input checked="" type="checkbox"/> Task Order <input type="checkbox"/> Proclamation <input checked="" type="checkbox"/> Other (see list on right)	Attachment 1 – Bid Results	

Project. The pipelines added to the Project are also old cast iron pipe anticipated to be replaced within 5 to 10 years. Replacing all the pipes in the area at the same time is more efficient and economical. As designed and bid, the scope includes the replacement of the water pipes in 12th Street, Mitchell Drive, and Evans Avenue as well as fire service connections to Camp Parks fire hydrants (see map below). This increased the total linear feet to be replaced by 1,350 to approximately 4,650 linear feet. Staff requests an increase to the project budget by \$1,219,000, from \$1,479,000 to \$2,698,000, to cover the cost of the increased linear footage of pipeline being replaced. The increase will cover the total project cost, which includes construction, construction management, staff time, and the construction change order contingency.

Construction Contract Award:

The bid period for the Project began on Monday, March 15, 2021, and sixteen (16) bids ranging from \$1,621,520 to \$2,295,505 were received on Thursday, April 15, 2021. The engineer’s estimate for the base bid was \$2,477,000. All bids received were below the engineer’s estimate and the lowest five bids were within \$135,000 of the low bid. The low bid was received from DPI, Inc. and contained no irregularities. Attachment 1 provides a summary of the bid results.

Staff recommends the Board award the construction contract for the Project to DPI, Inc. and authorize a 15 percent construction change order contingency not to exceed \$245,000. The change order contingency is higher than typical because the Project involves working within Camp Parks where there is a high probability of differing site conditions within the alignment such as unknown abandoned or unmarked utilities, and hazardous materials that could require special waste disposal procedures. The contractor may also encounter contaminated soils that need to be tested and disposed of properly. The complexity of maintaining water and fire services to buildings while new water mains and services are installed also increases the potential for construction change orders.

A Notice of Exemption for the Project per California Environmental Quality Act (“CEQA”) Statutory Exemption Guidelines Section 15282 (k), which includes “the installation of new pipeline or maintenance, repair, restoration, removal, or demolition of an existing pipeline as long as the project does not exceed one mile in length,” will be filed within five days

of approval of the Project. The contract time for the Project is 168 calendar days and is anticipated to be completed by December 2021.

Construction Management and Inspection Services:

On Wednesday, February 24, 2021, staff sent a Request for Proposals (RFP) to four prospective consulting firms to provide construction management services for the Project. On Thursday, March 25, 2021, two proposals were received from Parsons and AnchorCM; the other two consulting firms declined to propose due to current workload.

Staff recommends the selection of AnchorCM to provide construction management and inspection services related to the Project. AnchorCM was selected based on its company qualifications, depth and breadth of its construction management team, and its approach to the proposed work. AnchorCM has included BSK Associates (BSK) as a subconsultant to provide materials testing for the Project, specifically for compaction testing of backfill material placed in the pipeline trenches of the existing streets in Camp Parks.

Staff recommends the Board approve the Master Agreement for Consulting Services with AnchorCM and authorize the General Manager to execute Task Order No. 1 to the Master Agreement for Consulting Services with AnchorCM for construction management and inspection services in an amount not to exceed \$316,700.

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT APPROVING AN AMENDMENT TO THE CAPITAL IMPROVEMENT PROGRAM TWO-YEAR BUDGET TO INCREASE THE CAMP PARKS WATER MAIN – CROMWELL AVENUE, 12TH STREET, MITCHELL DRIVE (CIP 20-W024) BUDGET

WHEREAS, the Board of Directors adopted the current Capital Improvement Program (“CIP”) Two-Year Budget for Fiscal Years Ending 2020 and 2021 (“CIP Budget”) on July 2, 2019, authorizing project and fund budgets to meet the District’s capital infrastructure needs; and

WHEREAS, the CIP included two projects, Camp Parks Water Main – Mitchell Drive, Powell to 8th Street Project (CIP 20-W016) and Camp Parks Water Mains – Cromwell Avenue and 12th Street Project (CIP 20-W024); and

WHEREAS, on February 20, 2020, the Board of Directors deleted the Camp Parks Water Main – Mitchell Drive, Powell to 8th Street Project (CIP 20-W016) from the CIP and revised the name of the Camp Parks Water Mains – Cromwell Avenue and 12th Street Project (CIP 20-W024) to Camp Parks Water Main – Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) (“Project”), revised the project scope, and increased the budget to \$1,479,000; and

WHEREAS, the Project’s scope of work included the replacement of 3,300 linear feet of water pipes including a pipeline parallel to Cromwell Avenue, and two separate pipeline segments in portions of 12th Street and Mitchell Drive; and

WHEREAS, in Project design the pipeline parallel to Cromwell Avenue was removed from the Project and a section of pipeline between Mitchell Drive and 12th Street and a section of pipe in Evans Avenue were added to the Project; and

WHEREAS, the additional pipeline to be replaced as part of the Project results in the need for additional budget to complete work; and

WHEREAS, staff recommends revising the CIP Budget by increasing the Project budget by \$1,219,000 from \$1,479,000 to \$2,698,000.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT, a public agency located in the Counties of Alameda and Contra Costa, California, as follows:

That the Project budget increase from \$1,479,000 to \$2,698,000 is hereby approved and incorporated into the Two-Year Budget in accordance with the project description sheet (Exhibit “A”).

Res. No. _____

ADOPTED by the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa, at its regular meeting held on the 4th day of May, 2021, and passed by the following vote:

DSRSD CIP 10-Year Plan for FYEs 2020 through 2029**CATEGORY: WATER SYSTEM****Water Replacement (Fund 610)****CIP No. 20-W024 Camp Parks Water Main - Cromwell Avenue, 12th Street, and Mitchell Drive****Funding Allocation: 100% 610****Project Manager:** Rudy Portugal**Status:** New Project**Project Summary:**

This project will replace 4,650 linear feet of 6-inch and 8-inch cast iron potable water lines with new 8-inch and 2-inch PVC water lines in 12th Street, Mitchell Drive, and Evans Avenue. The project will also replace water services, fire service connections, and fire hydrants. These water lines, installed in the 1940's, are the oldest pipes within the District's service area, have a history of leaks, and are the source of discolored water complaints due to corrosion of the cast iron. This project will be coordinated with Camp Parks development.

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT APPROVING AND AUTHORIZING EXECUTION OF AN AGREEMENT WITH DPI, INC. FOR CONSTRUCTION OF THE CAMP PARKS WATER MAIN – CROMWELL AVENUE, 12TH STREET, AND MITCHELL DRIVE PROJECT (CIP 20-W024)

WHEREAS, facility improvements are needed that serve current customers of Dublin San Ramon Services District (DSRSD); and

WHEREAS, many water pipes within Camp Parks were installed in the 1940's, are made of cast iron, have a history of leaks, and are the source of discolored water complaints due to corrosion of the cast iron; and

WHEREAS, the Camp Parks Water Main – Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) ("Project") will replace approximately 4,650 linear feet of the water mains in Camp Parks on 12th Street, Mitchell Drive, and Evans Avenue and install new water services, water meter boxes, backflow preventers, and fire hydrants, and reconnect existing fire service connections to buildings with fire sprinkler systems; and

WHEREAS, on March 15, 2021, the District Secretary advertised the Project construction contract for bid; and

WHEREAS, pursuant to said advertisement, on April 15, 2021, sixteen (16) bids were received for the performance of said work and filed with the District Secretary; and

WHEREAS, DPI, Inc., is the lowest responsive, responsible bidder, and it is the intention and desire of this Board to accept said bid of One Million, Six Hundred Twenty-One Thousand, Five Hundred Twenty Dollars (\$1,621,520); and

WHEREAS, the California Environmental Quality Act (CEQA) requirements for this Project were satisfied through a statutory exemption per CEQA Statutory Exemption Guidelines Section 15282 (k).

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT, a public agency located in the Counties of Alameda and Contra Costa, California, as follows:

1. The bid of DPI, Inc., in the amount of \$1,621,520, is hereby accepted, and said bidder is hereby found and declared to be the lowest responsive, responsible bidder for said work.
2. That certain agreement titled "Agreement for the Construction of Camp Parks Water Main Project (CIP 20-W024)" (Exhibit "A"), by and between Dublin San Ramon Services District, a California public agency, and DPI, Inc., is hereby approved, and the General Manager and District

Res. No. _____

Secretary are hereby authorized and directed to execute, and to attest thereto, respectively, said agreement for and on behalf of Dublin San Ramon Services District.

3. The General Manager is authorized to approve construction change orders for the Camp Parks Water Main Project (CIP 20-W024) up to 15 percent of the construction bid in an amount not to exceed \$243,228.

4. The District Secretary is hereby authorized and directed to return to all unsuccessful bidders, and to the successful bidder upon execution by it of the aforementioned agreement, all securities guaranteeing execution of the Agreement upon award.

ADOPTED by the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa, at its regular meeting held on the 4th day of May, 2021, and passed by the following vote:

SECTION 00500

AGREEMENT FOR THE CONSTRUCTION OF

CAMP PARKS WATER MAIN PROJECT (CIP 20-W024)

THIS AGREEMENT, made and concluded, in duplicate, this _____ day of _____, 20____, between the Dublin San Ramon Services District ("District"), Dublin, California, and **DPI, Inc., 5942 Las Positas Road, Livermore, CA 94551, (925) 800-3100** ("Contractor").

WITNESSETH:

1. That for and in consideration of the payments and agreements hereinafter mentioned, to be made and performed by the District, and under the conditions expressed in the two bonds, bearing even date with these presents, and hereunto annexed, the Contractor agrees with the District, at his/her own proper cost and expense, to do all the work and furnish all the materials necessary to construct and complete in good workmanlike and substantial manner the project entitled: **CAMP PARKS WATER MAIN PROJECT (CIP 20-W024)** in strict conformity with the Contract Documents (collectively defined in Section 01090-2.0), prepared therefor, which said plans and specifications are hereby specially referred to and by said reference made a part hereof.
2. Now, therefore, in consideration of the mutual covenants and agreements of the parties herein contained and to be performed, the Contractor hereby agrees to complete the work in accordance with the terms and conditions stipulated in the Contract Documents for the sum of **One Million Six Hundred Twenty-One Thousand Five Hundred Twenty Dollars (\$1,621,520)** computed in accordance with Contractor's accepted proposal dated **April 15, 2021**, which accepted proposal is incorporated herein by reference thereto as if herein fully set forth. Compensation shall be based upon any lump sum bid items plus the unit prices stated in the Bid Schedule times the actual quantities or units of work and materials performed or furnished. The further terms, conditions, and covenants of this Agreement are set forth in the Contract Documents, each of which is by this reference made a part hereof. Payments are to be made to the Contractor in accordance with the provisions of the Contract Documents in legally executed and regularly issued warrants of the District, drawn on the appropriate fund or funds as required by law and order of the District thereof.
3. The District hereby promises and agrees with the Contractor to employ, and does hereby employ, the Contractor to provide the materials and to do the work according to the terms and conditions herein contained and referred to, for the prices aforesaid, and hereby contracts to pay the same at the time, in the manner and upon the conditions above set forth; and the said parties for themselves, their heirs, executors, administrators, successors and assigns, do hereby agree to the full performance of the covenants herein contained.
4. The Contractor and any subcontractor performing or contracting any work shall comply with all applicable provisions of the California Labor Code for all workers, laborers and mechanics of all crafts, classifications or types, including, but not limited to the following:

(a) The Contractor shall comply with all applicable provisions of Section 1810 to 1815, inclusive, of the California Labor Code relating to working hours. The Contractor shall, as a penalty to the District, forfeit the sum of twenty-five dollars (\$25) for each worker employed in the execution of the Contract by the Contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week, unless such worker receives compensation for all hours worked in excess of eight (8) hours at not less than 1-1/2 times the basic rate of pay.

(b) Pursuant to the provision of California Labor Code, Sections 1770 et. seq., the Contractor and any subcontractor under him shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Pursuant to the provisions of California Labor Code Section 1773.2, the Contractor is hereby advised that copies of the prevailing rate of per diem wages and a general prevailing rate for holidays, Saturdays and Sundays and overtime work in the locality in which the work is to be performed for each craft, classification, or type of worker required to execute the Contract, are on file in the office of the District, which copies shall be made available to any interested party on request. The Contractor shall post a copy of said prevailing rate of per diem wages at each job site.

(c) As required by Section 1773.1 of the California Labor Code, the Contractor shall pay travel and subsistence payments to each worker needed to execute the Work, as such travel and subsistence payments are defined in the applicable collective bargaining agreements filed in accordance with this Section.

(d) To establish such travel and subsistence payments, the representative of any craft, classification, or type of workman needed to execute the contracts shall file with the Department of Industrial Relations fully executed copies of collective bargaining agreements for the particular craft, classification or type of work involved. Such agreements shall be filed within ten (10) days after their execution and thereafter shall establish such travel and subsistence payments whenever filed thirty (30) days prior to the call for bids.

(e) The Contractor shall comply with the provisions of Section 1775 of the California Labor Code and shall, as a penalty to the District, forfeit up to fifty dollars (\$50) for each calendar day, or portion thereof, for each worker paid less than the prevailing rate of per diem wages for each craft, classification, or type of worker needed to execute the Contract. The Contractor shall pay each worker an amount equal to the difference between the prevailing wage rates and the amount paid worker for each calendar day or portion thereof for which a worker was paid less than the prevailing wage rate.

(f) As required under the provisions of Section 1776 of the California Labor Code, Contractor and each subcontractor shall keep an accurate payroll record, showing the name, address, social security number, work classification, and straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. Said payroll shall be certified and shall be available for inspection at all reasonable hours at the principal office of the Contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her authorized representative on request.

(2) A certified copy of all payroll records enumerated in Paragraph 4(f), herein, shall be made available for inspection or furnished upon request to the District, the Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in Paragraph 4(f), herein, shall be made available upon request by the public for inspection or for copies thereof; provided, however, that a request by the public shall be made through either the District, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to subparagraph 4(f)(2) herein, the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the Contractor, subcontractors, and the entity through which the request was made. The public shall not be given access to the records at the principal offices of the Contractor.

The certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division.

Each Contractor shall file a certified copy of the records, enumerated in Paragraph 4(f) with the entity that requested the records within ten (10) days after receipt of a written request. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the District, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement shall be marked or obliterated in such a manner as to prevent disclosure of an individual's name, address, and social security number. The name and address of the Contractor awarded the Contract or performing the Contract shall not be marked or obliterated. The Contractor shall inform the District of the location of the records enumerated under Paragraph 4(f) including the street address, city and county, and shall, within five (5) working days, provide a notice of change of location and address. The Contractor shall have ten (10) days in which to comply subsequent to receipt of written notice specifying in what respects the Contractor must comply with this Paragraph 4(f). In the event that the Contractor fails to comply within the 10-day period, he or she shall, as a penalty to the state or the District, forfeit twenty-five dollars (\$25.00) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. Responsibility for compliance with Paragraph 4(f) lies with the Contractor.

(g) The Contractor and any subcontractors shall, when they employ any person in any apprenticeable craft or trade, apply to the joint apprenticeship committee administering the apprenticeship standards of the craft or trade in the area of the construction site for a certificate approving the Contractor or subcontractor under the apprenticeship standards for

the employment and training of apprentices in the area or industry affected; and shall comply with all other requirements of Section 1777.5 of the California Labor Code. The responsibility of compliance with California Labor Code Section 1777.5 during the performance of this Contract rests with the Contractor. Pursuant to California Labor Code Section 1777.7, in the event the Contractor willfully fails to comply with the provisions of California Labor Code Section 1777.5, the Contractor shall be denied the right to bid on any public works contract for up to three (3) years from the date noncompliance is determined and be assessed civil penalties.

(h) In accordance with the provisions of Article 5, Chapter 1, Part 7, Division 2 (commencing with Section 1860), and Chapter 4, Part 1, Division 4 (commencing with Section 3700) of the California Labor Code, the Contractor is required to secure the payment of compensation to its employees and for that purpose obtain and keep in effect adequate Workers' Compensation Insurance. If the Contractor, in the sole discretion of the District satisfies the District of the responsibility and capacity under the applicable Workers' Compensation Laws, if any, to act as self-insurer, the Contractor may so act, and in such case, the insurance required by this paragraph need not be provided.

The Contractor is advised of the provisions of Section 3700 of the California Labor Code, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code and shall comply with such provisions and have Employer's Liability Limits of \$1,000,000 per accident before commencing the performance of the Work of this Contract.

The Notice to Proceed with the Work under this Contract will not be issued, and the Contractor shall not commence work, until the Contractor submits written evidence that it has obtained full Workers' Compensation Insurance coverage for all persons whom it employs or may employ in carrying out the Work under this Contract. This insurance shall be in accordance with the requirements of the most current and applicable state Workers' Compensation Insurance Laws. In accordance with the provisions of Section 1861 of the California Labor Code, the Contractor in signing this Agreement certifies to the District as true the following statement: "I am aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the Work of this Contract."

A subcontractor is not allowed to commence work on the project until verification of Workers' Compensation Insurance coverage has been obtained and verified by the Contractor and submitted to the Construction Manager for the District's review and records.

(i) In accordance with the provisions of Section 1727 of the California Labor Code, the District, before making payment to the Contractor of money due under a contract for public works, shall withhold and retain therefrom all wages and penalties which have been forfeited pursuant to any stipulation in the Contract, and the terms of Chapter 1, Part 7, Division 2 of the California Labor Code (commencing with Section 1720). But no sum shall be withheld, retained or forfeited, except from the final payment, without a full investigation by either the Division of Labor Standards Enforcement or by the District.

5. It is further expressly agreed by and between the parties hereto that should there be any conflict between the terms of this Agreement and the Bid Proposal of said Contractor, then this Agreement shall control, and nothing herein contained shall be considered as an acceptance of the said terms of said Proposal conflicting herewith.

6. The Contractor agrees to provide and maintain insurance coverage, and to indemnify and save harmless the parties named and in the manner set forth in Section 00800-2.0, **LIABILITY & INSURANCE**.

The duty of Contractor to indemnify and save harmless, as set forth herein, shall include a duty to defend as set forth in Section 2778 of the California Civil Code; provided, however, that nothing herein shall be construed to require Contractor to indemnify against any responsibility or liability in contravention of Section 2782 of the California Civil Code.

7. The Contractor shall diligently prosecute the Work so that it shall be substantially completed within the time specified in Section 00800-1.1, **Time Allowed for Completion**.

8. Except as otherwise may be provided in other provisions of the Contract Documents, Contractor hereby expressly guarantees for one (1) full year from the date of the Substantial Completion of the Work under this Agreement and acceptance thereof by the District, to repair or replace any part of the Work performed hereunder which constitutes a defect resulting from the use of inferior or defective materials, equipment or workmanship. If, within said period, any repairs or replacements in connection with the Work are, in the opinion of the District, rendered necessary as the result of the use of inferior or defective materials, equipment or workmanship, Contractor agrees, upon receipt of notice from District, and without expense to District, to promptly repair or replace such material or workmanship and/or correct any and all defects therein. If Contractor, after such notice, fails to proceed promptly to comply with the terms of this guarantee, District may perform the work necessary to effectuate such correction and recover the cost thereof from the Contractor and/or its sureties.

In special circumstances where a particular item of work or equipment is placed in continuous service before Substantial Completion of the Work, the correction period for that item may start to run from an earlier date. This date shall be agreed upon by the Contractor and District on or before the item is placed in continuous service.

Any and all other special guarantees which may be applicable to definite parts of the Work under this Agreement shall be considered as an additional guarantee and shall not reduce or limit the guarantee as provided by Contractor pursuant to this paragraph during the first year of the life of such guarantee.

9. The Contractor shall provide, on the execution of this Agreement, a good and sufficient corporate surety bond in the penal sum of one hundred percent (100%) of amount bid, which bond shall be on the form provided by the District in Section 00610, **BOND OF FAITHFUL PERFORMANCE**, and be conditioned upon the faithful performance of all work required to be performed by the Contractor under this Agreement. Said bond shall be liable for any and all penalties and obligations which may be incurred by Contractor under this Agreement. The corporate surety bond shall be issued by a corporate surety approved by the District's counsel. The corporate surety shall be authorized to conduct business in California. At its discretion, the District may request that a certified copy of the certificate of authority of the insurer issued by the Insurance Commissioner of the State of California

be submitted by the Surety to the District. At its discretion, the District may also require the insurer to provide copies of its most recent annual statement and quarterly statement filed with the Department of Insurance pursuant to Article 10 (commencing with Section 900) of Chapter 1 of Part 2 of Division 1 of the Insurance Code.

10. In addition to the bond required under Paragraph 9, hereof, Contractor shall furnish a good and sufficient corporate surety bond in the penal sum of one hundred percent (100%) of amount of Bid, which bond shall be on the form provided by the District in Section 00620, **PAYMENT BOND**, and conform strictly with the provisions of Chapter 7, Title 15, Part 4, Division 3, of the Civil Code of the State of California, and all amendments thereto. The corporate surety bond shall be issued by a corporate surety approved by the District's counsel. The corporate Surety shall be authorized to conduct business in California. At its discretion, the District may request that a certified copy of the certificate of authority of the insurer issued by the Insurance Commissioner of the State of California be submitted by the Surety to the District. At its discretion, the District may also require the insurer to provide copies of its most recent annual statement and quarterly statement filed with the Department of Insurance pursuant to Article 10 (commencing with Section 900) of Chapter 1 of Part 2 of Division 1 of the Insurance Code.

11. The Contractor may substitute securities for the amounts retained by the District to ensure performance of the work in accordance with the provisions of Section 22300 of the Public Contract Code.

12. Contractor covenants that Contractor is licensed in accordance with the provisions of the Contractors' License Law of California as provided in Section 00010, **NOTICE INVITING BIDS**.

13. The Contractor shall be provided the time period specified in Section 01340-2.0, **MATERIAL AND EQUIPMENT SUBSTITUTIONS**, for submission of data substantiating a request for a substitution of an "or equal" item.

14. As required by Section 6705 of the California Labor Code and in addition thereto, whenever work under the Contract involves the excavation of any trench or trenches five (5) feet or more in depth, the Contractor shall submit in advance of excavations, a detailed plan showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection from the hazard of caving ground during the excavation of such trench or trenches. If such plan varies from the shoring system standards established by the Construction Safety Orders of the Division of Industrial Safety in Title 8, Subchapter 4, Article 6, California Code of Regulations, the plan shall be prepared by a registered civil or structural engineer employed by the Contractor, and all costs therefore shall be included in the price named in the Contract for completion of the Work as set forth in the Contract Documents. Nothing in this Section shall be deemed to allow the use of a shoring, sloping, or other protective system less effective than that required by the Construction Safety Orders. Nothing in this Section shall be construed to impose tort liability on the District, the Design Consultant, Construction Manager nor any of their agents, consultants, or employees. The District's review of the Contractor's excavation plan is only for general conformance to the California Construction Safety Orders.

Prior to commencing any excavation, the Contractor shall designate in writing to the Construction Manager the "competent person(s)" with the authority and responsibilities designated in the Construction Safety Orders.

15. In accordance with Section 7104 of the Public Contract Code, whenever any work involves digging trenches or other excavations that extend deeper than four (4) feet below the surface, the provisions of Section 00700-7.2, **Differing Site Conditions**, shall apply.

16. In accordance with Section 7103.5 of the Public Contract Code, the Contractor and subcontractors shall conform to the following requirements. In entering into a public works contract or a subcontract to supply goods, services, or materials pursuant to a public works contract, the Contractor or subcontractor offers and agrees to assign to the District all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act [Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code], arising from purchases of goods, materials or services pursuant to this Contract or the subcontract. Such assignment shall be made and become effective at the time the District tenders final payment to the Contractor, without further acknowledgment by the parties.

17. In accordance with Section 4552 of the Government Code, the Contractor shall conform to the following requirements. In submitting a Bid to the District, the Contractor offers and agrees that if the Bid is accepted, it will assign to the District all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Section 15) or under the Cartwright Act [Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code], arising from purchase of goods, materials, or services by the Contractor for sale to the District pursuant to the Bid. Such assignment shall be made and become effective at the time the Authority tenders final payment to the Contractor.

18. Pursuant to Public Contract Code Section 7100, the acceptance by the Contractor of an undisputed payment made under the terms of the Contract shall operate as, and shall be, a release to the District, and their duly authorized agents, from all claim of and/or liability to the Contractor arising by virtue of the contract related to those amounts. Disputed contract claims in stated amounts may be specifically excluded by the Contractor from the operation of the release.

19. In accordance with California Business and Professions Code Section 7030, the Contractor is required by law to be licensed and regulated by the Contractors' State License Board which has jurisdiction to investigate complaints against contractors if a complaint regarding a patent act or omission is filed within four (4) years of the date of the alleged violation. A complaint regarding a latent act or omission pertaining to structural defects must be filed within ten (10) years of the date of the alleged violation. Any questions concerning the Contractor may be referred to the Registrar, Contractors' State License Board, P.O. Box 26000, Sacramento, California 95826.

IN WITNESS WHEREOF, the parties hereto have executed this agreement on the date first set forth above.

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT APPROVING A MASTER AGREEMENT FOR CONSULTING SERVICES WITH ANCHORCM FOR CONSTRUCTION MANAGEMENT SERVICES FOR THE CAMP PARKS WATER MAIN – CROMWELL AVENUE, 12TH STREET, AND MITCHELL DRIVE PROJECT (CIP 20-W024)

WHEREAS, the District desires to obtain professional construction management and inspection services for the Camp Parks Water Main - Cromwell Avenue, 12th Street, and Mitchell Drive Project (CIP 20-W024) (“Project”) and solicited a Request for Proposals in accordance with the District purchasing procedures; and

WHEREAS, on February 24, 2021, the District sent out a request for proposals to four construction management firms; and

WHEREAS, on March 25, 2021, the District received two proposals from Parsons and AnchorCM; and

WHEREAS, District staff has evaluated the two professional consulting services proposals, and has recommended the selection of AnchorCM to provide construction management and inspection services related to the Project; and

WHEREAS, AnchorCM was selected based on its company qualifications, depth and breadth of its construction management team, and its approach to the proposed work.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT, a public agency located in the Counties of Alameda and Contra Costa, California, as follows:

That certain “Master Agreement for Consulting Services” (Exhibit “A”) by and between the Dublin San Ramon Services District and AnchorCM, is hereby approved, and the General Manager and District Secretary are hereby authorized and directed to execute, and to attest thereto, respectively, said agreement for and on behalf of Dublin San Ramon Services District.

Res. No. _____

ADOPTED by the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa, at its regular meeting held on the 4th day of May, 2021, and passed by the following vote:

MASTER AGREEMENT for CONSULTING SERVICES
WITH
AnchorCM

THIS AGREEMENT, made and entered into this ____ day of _____, 20____ by and between DUBLIN SAN RAMON SERVICES DISTRICT, a public agency in the counties of Alameda and Contra Costa, California (“District”) and AnchorCM (“Consultant”), 3685 Mt. Diablo Blvd., Suite 345, Lafayette, CA 94549, (925) 385-0950;

WHEREAS, District requires professional construction management and inspection services; and

WHEREAS, Consultant’s principals are duly licensed Professional Engineers in the State of California and Consultant represents that it is experienced in performing, and uniquely qualified to perform, the professional construction management and inspection services; and

WHEREAS, District desires to engage Consultant for such services; and

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES. Consultant shall perform assignments in accordance with the terms and conditions of this Agreement and written Task Orders issued from time to time by District to Consultant and accepted by Consultant. Each such Task Order shall include, but not be limited to: (i) a description of the services to be performed by Consultant, and the key personnel to be assigned by Consultant to the performance of the specific Task (who shall not be replaced without the prior written approval of the District, which shall not be unreasonably withheld); (ii) the time of performance for providing such services; (iii) maximum compensation payable for providing such services, provided that such compensation shall be payable pursuant to Paragraph 2 hereof unless otherwise expressly provided in the Task Order; (iv) District’s source of funding; and (v) such other provisions as the parties deem appropriate or necessary to accomplish the purpose of the Task Order. To the extent not expressly modified by Task Order, all other terms and conditions of this Agreement shall be deemed incorporated in each Task Order.

2. COMPENSATION. District shall compensate Consultant for all services performed by Consultant pursuant to Paragraph 1 in an amount equal to Consultant’s hourly rates of charge for Consultant’s personnel times the number of hours, or portions thereof, of services correspondingly performed by said personnel. Said rates of charge are set forth in Exhibit “A” hereof, attached hereto, and by reference incorporated herein. Said rates may be adjusted, from time to time, upon written approval of the District.

District shall reimburse Consultant for other expenses directly incurred in performing services hereunder, if any, described in Exhibit “A.”

Compensation and reimbursement of expenses shall be payable by District within thirty (30) days upon receipt of billing by Consultant. Billing by Consultant to District shall not be more often than monthly for services corresponding to each Task Order. The billing shall include an itemized statement briefly describing the services rendered and costs incurred and the authorized amount remaining.

3. RECORDS. Consultant shall keep and maintain accurate records of all time expended and costs and expenses incurred relating to services to be performed by Consultant hereunder. Said records shall be available to District for review and copying during regular business hours at Consultant's place of business, or as otherwise agreed upon by the parties.

4. NON-ASSIGNABILITY. Consultant shall not subcontract, assign, sell, mortgage, hypothecate or otherwise transfer its interest or obligations in this agreement or any Task Order issued hereunder in any manner, without the express prior written consent of District, which consent shall not be unreasonably withheld. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent Consultant, upon District's written consent, from employing such independent consultants, associates, and subcontractors as may be necessary to assist in the performance of the services hereunder. Nothing herein shall be construed to give any rights or benefits to anyone other than District and Consultant.

5. STATUS. In the performance of services hereunder, Consultant shall be, and is, an independent contractor, and shall not be deemed to be an employee or agent of District. All services provided pursuant to this Agreement shall be authorized by Task Order issued by the District's General Manager or his or her designated representative and signed by the Consultant.

6. PERIOD OF SERVICE. Unless extended by Task Order, this Master Agreement shall expire on May 31, 2023.

7. PERFORMANCE STANDARDS. In performing services hereunder, Consultant shall adhere to the standards generally prevailing for the performance of expert technical and consulting services similar to those to be performed by Consultant hereunder, shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily provided by a professional under similar circumstances, and shall, at no cost to District, re-perform services which fail to satisfy the foregoing standard of care. All drawings and specifications requiring certification by a Professional Engineer shall bear the stamp and signature of a registered engineer in the State of California.

Any costs incurred by the District (including but not limited to additional design costs, construction costs, and construction management costs, to the extent that any such costs are recoverable under California law) and used to correct deficiencies caused by Consultant's negligent errors and omissions or willful misconduct shall be borne solely by the Consultant. The District is relying upon the Consultant's qualifications concerning the services furnished hereunder and, therefore, the fact that the District has accepted or approved the Consultant's

work shall in no way relieve the Consultant of these responsibilities.

8. TERMINATION. Either party may terminate this Agreement without cause by giving the other party written notice thereof not less than sixty (60) days in advance of the effective date of termination, which date shall be included in said notice.

In the event of such termination, District shall compensate Consultant for services rendered to the date of termination, as the case may be, calculated in accordance with the provisions of Paragraph 2. In ascertaining services actually rendered to the date of termination, consideration shall be given both to work completed and work in process of completion. Nothing herein contained shall be deemed a limitation upon the exercise of the right of District to terminate this Agreement for cause, or otherwise to exercise such legal or equitable rights, and to seek such remedies as may accrue to District, or to authorize Consultant to terminate this Agreement for cause.

9. TITLE TO, POSSESSION OF, AND RELIANCE UPON DOCUMENTS. All documents, work products, plans, specifications, negatives, drawings, computer disks, electronic tapes, renderings, data reports, files, estimates and other such papers, information and materials (collectively, "materials"), or copies thereof (except proprietary computer software purchased or developed by Consultant) obtained or prepared by Consultant pursuant to the terms of this Agreement, shall become the property of District. District and Consultant shall, from time to time pursuant to Task Orders, specify which materials Consultant shall deliver to District ("Deliverables"). Deliverables are intended to, and may, be relied upon by District, or others designated by District, where appropriate, for those purposes for which District requested their preparation, or for use in connection with planning-level activities including, without limitation, the preparation of environmental documentation pursuant to the California Environmental Quality Act ("CEQA") or the National Environmental Policy Act ("NEPA") or similar statutes. Consultant will not be responsible for use of Deliverables, or portions thereof, for any purpose other than those specified in the preceding sentence.

Materials not delivered to District ("Non-Deliverables") shall be retained by Consultant, but Consultant shall provide District access to such Non-Deliverables at all reasonable times upon District's request. District may make and retain copies of all Non-Deliverables, at District's expense, for information and reference. Unless otherwise specified in writing by Consultant, use thereof for any purpose other than the purpose for which the Non-Deliverables were prepared, or for use in connection with planning-level activities including, without limitation, the preparation of environmental documentation pursuant to CEQA or NEPA or similar statutes, shall be at the user's sole risk.

10. COMPLIANCE WITH LAWS. In performance of this Agreement, Consultant shall exercise due professional care in compliance with all applicable federal, state and local laws, rules, regulations, orders, codes, criteria and standards. Consultant shall procure all permits, certificates, and licenses necessary to allow Consultant to perform the Services specified herein. Consultant shall not be responsible for procuring permits, certificates, and licenses required for any construction unless such responsibilities are specifically assigned to Consultant under a Task Order.

Consultant shall comply at all times with California Occupational Safety and Health Act

("OSHA") regulations regarding necessary safety equipment or procedures and shall take all necessary precautions for safe operation of its work, and the protection of its personnel and the public from injury and damage from such work.

11. NON-DISCLOSURE OF PROPRIETARY INFORMATION. Consultant shall consider and treat all drawings, reports, studies, design calculations, specifications, and other documents and information provided to Consultant by District in furtherance of this Agreement to be the District's proprietary information, unless said information is available from public sources other than District. Consultant shall not publish or disclose District's proprietary information for any purpose other than in the performance of services hereunder without the prior written authorization of District or in response to legal process. Nothing herein contained shall be deemed to abrogate compliance with the California Public Records Act (Government Code Section 6250, et seq.); provided that District shall determine and advise Consultant which documents, if any, are required to be disclosed under said Act.

12. INSURANCE. Consultant shall procure and maintain for the duration of this Agreement, and any Task Orders issued hereunder, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

Minimum Scope and Limit of Insurance. Coverage shall be at least as broad as:

A. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

B. Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Consultant has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

C. Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. *(Not required if consultant provides written verification it has no employees.)*

D. Professional Liability (Errors and Omissions) Insurance appropriate to the Consultant's profession, with limit no less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the Consultant maintains broader coverage and/or higher limits than the minimums shown above, the District requires and shall be entitled to broader coverage and/or the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the District.

Other Insurance Provisions. The insurance policies are to contain, or be endorsed to contain,

the following provisions:

A. **Additional Insured Status:** The District, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used).

B. **Primary Coverage:** For any claims related to this contract, the Consultant's insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the District, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the District, its officers, officials, employees, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

C. **Notice of Cancellation:** Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the District.

D. **Waiver of Subrogation:** Consultant hereby grants to District a waiver of any right to subrogation which any insurer of said Consultant may acquire against the District by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the District has received a waiver of subrogation endorsement from the insurer.

E. **Self-Insured Retentions:** Self-insured retentions must be declared to and approved by the District. The District may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or District.

F. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the District.

G. **Claims Made Policies:** If any of the required policies provide coverage on a claims-made basis:

i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

ii. Insurance must be maintained and evidence of insurance must be provided *for at least five (5) years after completion of the contract of work*.

iii. If coverage is canceled or non-renewed, and not *replaced with another claims-made policy form with a Retroactive Date* prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of *five (5) years* after completion of contract work.

H. **Verification of Coverage:** Consultant shall furnish the District with original Certificates of Insurance including all required and amendatory endorsements (or copies of

the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to District before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The District reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

I. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that District is an additional insured on insurance required from subcontractors.

J. Special Risks or Circumstances: District reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

13. INDEMNIFICATION. Consultant shall hold harmless, indemnify and defend District, its governing Board of Directors, other boards, commissions, committees, officers, officials, employees, volunteers, and agents (collectively, "Indemnitees") from and against all claims for liability, losses, damages, expenses, costs (including, without limitation, costs and fees of litigation) of every nature, kind and description, which may be brought against or suffered or sustained by Indemnitees, to the extent caused in whole or in part by the negligence, intentional tortuous acts or omissions, or willful misconduct of Consultant, its officers, employees or agents, in the performance of any services or work pursuant to this Agreement or any Task Order issued hereunder, excepting therefrom such liability, losses, or damage which was solely caused by the willful misconduct of Indemnitees. Consultant's duty to indemnify and save harmless shall include the duty to defend as set forth in California Civil Code Section 2778; provided, that nothing herein contained shall be construed to require Consultant to indemnify Indemnitees against any responsibility or liability in contravention of California Civil Code Section 2782.

A. In the event Consultant provides a defense pursuant to this Paragraph and such action or other claim is resolved by a final judicial determination, which includes a finding that there was no negligence on the part of Consultant, its officers, employees or agents, District shall refund to Consultant all defense costs, judgments and/or amounts paid by Consultant on behalf of Indemnitees.

B. In the event Consultant provides a defense pursuant to this Paragraph and such action or other claim is resolved by a final judicial determination which includes a finding as to the respective negligence of Consultant, its officers, employees or agents and any Indemnitees(s), then District shall be responsible to pay that portion of the judgment attributed to Indemnities(s), and shall refund to Consultant a pro rata share of any defense costs expended on behalf of Indemnitees.

C. In the event Consultant provides a defense pursuant to this Paragraph and such action or other claim is finally resolved by any other means than those stated in Paragraphs 13(a) and 13(b), or in the event Consultant fails to provide a defense to Indemnitees, Consultant and District shall meet and confer in an attempt to reach a mutual agreement regarding the apportionment of costs (including attorneys' fees), judgments and/or amounts paid by Consultant and/or Indemnitees. In the event Consultant and District

are unable to reach agreement regarding such an apportionment, said dispute shall be submitted to arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association in effect on the date a demand for arbitration is submitted. The arbitration panel shall award the prevailing party its costs (including attorneys' fees) incurred in the arbitration.

D. Notwithstanding anything in this Section 13 to the contrary, Consultant shall not be liable for consequential or special damages pursuant to this Agreement or any Task Order hereunder, unless a final judicial determination is made, which includes a finding that the liability, losses, or damage were solely caused by the willful misconduct of Consultant, its officers, employees, or agents.

14. COVENANT AGAINST CONTINGENCY FEES. Consultant hereby warrants that Consultant has not employed or retained any company or person, other than a *bona fide* employee working for Consultant, to solicit or secure this Agreement, and Consultant has not paid or agreed to pay any company or person, other than a *bona fide* employee, any fee, commission, percentage, brokerage fees, gifts or any other consideration, contingent upon or resulting from the award or formation of this Agreement. For breach or violation of this warranty, District shall have the right to annul this Agreement without liability or at District's discretion, to deduct from the Agreement price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fees, gifts or contingent fee.

15. ECONOMIC DISCLOSURE. Upon District's determination that the services provided through this Agreement involve making, or participation in making, decisions which may foreseeably have a material effect on a financial interest, Consultant and/or any of its employees identified by District shall prepare and file an Economic Disclosure Statement(s) consistent with District's local conflict of interest code and the Political Reform Act. (*USAGE NOTE: If consultant objects to this requirement, please ask Judy Zavadil for assistance; Engineering has a standard reply to such objections; the GM or Assistant GM will determine whether the consultant must provide an Economic Disclosure using the sample form at the end of the agreement.*)

16. PARAGRAPH HEADINGS. Paragraph headings as used herein are for convenience only and shall not be deemed to be a part of any such paragraph and shall not be construed to change the meaning thereof.

17. WAIVER. A waiver by either District or Consultant of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach.

18. SURVIVABILITY. The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this

Agreement and the balance of this Agreement shall be construed and enforced as if this Agreement did not contain the particular portion or provision held to be void.

19. INTEGRATION AND MODIFICATION. This Agreement, together with the Compensation Schedule setting forth Consultant's rates and charges and compensable expenses, attached hereto as Exhibit "A," is adopted by District and Consultant as a complete and exclusive statement of the terms of this Agreement between District and Consultant, except to the extent revised and/or implemented through issuance of Task Orders hereunder. This Agreement supersedes all prior agreements, contracts, proposals, representations, negotiations, letters, or other communications between the District and Consultant, whether written or oral.

20. AMENDMENTS. This Agreement may be amended or supplemented by the parties by written agreement approved and executed in the same manner as this Agreement.

21. SUCCESSORS AND ASSIGNS. This agreement shall be binding upon the respective successors, executors, administrators, assigns, and legal representatives to the parties.

22. GOVERNING LAW. This Agreement shall be governed by, and construed in accordance with, the laws of the State of California.

23. DISPUTE RESOLUTION. The parties agree to first submit any dispute arising out of or in connection with this Agreement to a mutually acceptable professional mediator and to negotiate in good faith toward an agreement with respect to the dispute. Either party within 30 days of providing written notice may initiate mediation. Either party within 60 days of having participated in the first mediation session may provide notice of termination of mediation and thereafter proceed with whatever remedies it may choose in law or in equity.

24. NOTICES. All notices to be given hereunder shall be written, and shall be sent by certified or registered mail, postage prepaid, addressed as follows:

To District: General Manager
Dublin San Ramon Services District
7051 Dublin Boulevard
Dublin, CA 94568

To Consultant: Brian Danley, PE
Vice President
AnchorCM
3685 Mt. Diablo Blvd., Suite 345
Lafayette, CA 94549

25. ELECTRONIC SIGNATURES. This Agreement may be executed in multiple counterparts, each of which shall, for all purposes, be deemed an original but which together shall constitute one and the same instrument, and the signature pages from any counterpart may be appended to any other counterpart to assemble fully executed documents, and

counterparts of this Agreement may also be exchanged via email or other electronic means and any email or other electronic transmission of any party's signature shall be deemed to be an original signature for all purposes.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the date and year first written.

TITLE: Approve Fund Transfers for Repayment of Ratepayer Share of Expansion Fund Debt and Temporary Infrastructure Charge Obligations, from the Water Replacement Fund (Fund 610) to the Water Operations Fund (Fund 600), the Water Rate Stabilization Fund (Fund 605) to the Water Operations Fund (Fund 600), the Water Operations Fund (Fund 600) to the Water Expansion Fund (Fund 620), and the Water Expansion Fund (620) to the Water Rate Stabilization Fund (Fund 605)

RECOMMENDATION:

Staff recommends the Board of Directors approve, by Resolution, repayment of the Ratepayer Share of Expansion Fund Debt and Temporary Infrastructure Charge obligations with the following fund transfers:

1. Transfer \$11.05 million from the Water Replacement Fund (Fund 610) to the Water Operations Fund (Fund 600)
2. Transfer \$2.99 million from the Water Rate Stabilization Fund (Fund 605) to the Water Operations Fund (Fund 600)
3. Transfer \$14.05 million from the Water Operations Fund (Fund 600) to the Water Expansion Fund (Fund 620)
4. Transfer \$2.99 million from the Water Expansion Fund (Fund 620) to the Water Rate Stabilization Fund (Fund 605)

SUMMARY:

At the February 16, 2021 Board of Directors meeting, staff reviewed repayment of two outstanding interfund loan obligations within the water enterprise: (1) Ratepayer Share of Expansion Fund Debt and (2) Temporary Infrastructure Charge (TIC). Currently, the Water Operations Fund (Fund 600) has an outstanding balance of \$14.05 million for the Ratepayer Share of Expansion Fund Debt obligation and the Water Expansion Fund (Fund 620) has an outstanding balance of \$2.99 million for the TIC obligation. The repayments would be fulfilled through a series of interfund transfers, would improve the fiscal condition of Fund 620, streamline financial reporting of water enterprise funds, and simplify the Water Capacity Reserve Charge Study currently in development. The Board directed staff to prepare a resolution for a future Board of Directors meeting to approve the necessary interfund transfers for repayment of the two water enterprise interfund loan obligations.

DISCUSSION:

Staff recommends four transfers for repayment of the Ratepayer Share of Expansion Fund Debt and the TIC obligations:

1. **Transfer \$11.05 million from the Water Replacement Fund (Fund 610) to the Water Operations Fund (Fund 600):** Fund 600 annually contributes through replacement allocations to Fund 610 for the renewal and replacement of the District’s existing water infrastructure. For fiscal year ending (FYE) 2021, the budgeted transfer is \$5.49 million. Staff is recommending returning \$11.05 million in past replacement allocations from Fund 610 to Fund 600.
2. **Transfer \$2.99 million from the Water Rate Stabilization Fund (Fund 605) to the Water Operations Fund (Fund 600):** The impact to Fund 605 from transfer #2 is fully mitigated by transfer #4.
3. **Transfer \$14.05 million from the Water Operations Fund (Fund 600) to the Water Expansion Fund (Fund 620):** Transfer #1 and #2 combined would provide Fund 600 sufficient funding for repayment of the Ratepayer Share of Expansion Fund Debt obligation.
4. **Transfer \$2.99 million from the Water Expansion Fund (Fund 620) to the Water Rate Stabilization Fund (Fund 605):** Transfer #3 would provide Fund 620 sufficient funding for repayment of the TIC obligation. Transfer #4 would also fully mitigate the impact of transfer #2 to Fund 605.

Originating Department: Administrative Services	Contact: H. Chen	Legal Review: Not Required
Financial Review: Yes	Cost and Funding Source: Fund 610: (\$11.05 million); Fund 605: \$0; Fund 600: \$0; Fund 620: \$11.05 million	
Attachments: <input type="checkbox"/> None <input checked="" type="checkbox"/> Resolution <input type="checkbox"/> Ordinance <input type="checkbox"/> Task Order <input type="checkbox"/> Proclamation <input type="checkbox"/> Other (see list on right)	45 of 281	

The net impact of the above transfers would decrease working capital in Fund 610 by \$11.05 million and increase working capital in Fund 620 by \$11.05 million. Fund 600 and Fund 605 would result in a zero net impact. Staff has reflected the interfund transfers in the proposed FYE 2022 and FYE 2023 Operating Budget and the 10-Year Capital Improvement Program for FYE 2022-FYE 2031, which will be reviewed by the Board at the May 18, 2021 Board of Directors meeting.

As the District's finances improve, staff has been proactively reviewing outstanding obligations and accelerating repayments when prudent. The proposed transfers will clear two obligations in Fund 600 and Fund 620, strengthen Fund 620 to meet its other obligations, and streamline development of the next Water Capacity Reserve Fee Study. In addition, these transactions will eliminate the debt reporting requirements between the water funds which will simplify the financial reporting and possibly eliminate the need for keeping a Board policy for the management of multiple obligations within these funds.

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT APPROVING TRANSFERS OF \$11,051,582 FROM THE WATER REPLACEMENT FUND (FUND 610) TO THE WATER OPERATIONS FUND (FUND 600), \$2,993,672 FROM THE WATER RATE STABILIZATION FUND (FUND 605) TO THE WATER OPERATIONS FUND (FUND 600), \$14,045,254 FROM THE WATER OPERATIONS FUND (FUND 600) TO THE WATER EXPANSION FUND (FUND 620), AND \$2,993,672 FROM THE WATER EXPANSION FUND (FUND 620) TO THE WATER RATE STABILIZATION FUND (FUND 605)

WHEREAS, in 2010, the Finance Committee identified \$20,250,000 as the Ratepayer Share of Expansion Fund Debt obligation; and

WHEREAS, \$6,204,746 has been transferred from the Water Operations Fund to the Water Expansion Fund for repayment of the Ratepayer Share of Expansion Fund Debt obligation, resulting in an outstanding balance as of June 30, 2020 of \$14,045,254; and

WHEREAS, on February 16, 2021, the Board determined that it was prudent to repay the outstanding balance of \$14,045,254 to fulfill the Ratepayer Share of Expansion Fund Debt obligation; and

WHEREAS, on June 23, 2009, during the great recession when the payment of capacity reserve fees came to a virtual halt, the District authorized the implementation of the Temporary Infrastructure Charge (TIC) to ensure the District had the available funds to make all legally required debt obligations of the Water Expansion Fund (Fund 620) ("Fund"); and

WHEREAS, on May 7, 2013, the Board suspended the TIC; and

WHEREAS, prior to its suspension, the amount of the TIC collected from ratepayers totaled \$8,208,152 with a total of \$5,214,480 equitably returned for the benefit of the water ratepayers, leaving a balance of \$2,993,672 as of June 30, 2020; and

WHEREAS, on March 4, 2014, the Board adopted the Water Expansion Fund Management policy to determine the methodology and priorities for payment of actual and contingent obligations of the Fund while ensuring the financial integrity of the Fund over a 10-year period and prudently anticipating risks to that Fund; and

WHEREAS, the Water Expansion Fund Management policy stated the Board's policy to further reduce the TIC obligation of the Fund under certain prescribed conditions; and

WHEREAS, the District has analyzed the projected balance of the Fund in accordance with the Water Expansion Fund Management policy; and

Res. No. _____

WHEREAS, on February 16, 2021, the Board determined that it was prudent to repay the outstanding balance of \$2,993,672 to fulfill the TIC obligation.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT, a public agency located in the Counties of Alameda and Contra Costa, California, as follows:

1. Effective May 4, 2021, staff is directed to transfer:
 - a. \$11,051,582 from the Water Replacement Fund (Fund 610) to the Water Operations Fund (Fund 600)
 - b. \$2,993,672 from the Water Rate Stabilization Fund (Fund 605) to the Water Operations Fund (Fund 600)
 - c. \$14,045,254 from the Water Operations Fund (Fund 600) to the Water Expansion Fund (Fund 620)
 - d. \$2,993, 672 from the Water Expansion Fund (Fund 620) to the Water Rate Stabilization Fund (Fund 605)
2. The transfers are to be considered full repayment of the outstanding Ratepayer Share of Expansion Fund Debt and TIC obligations.

ADOPTED by the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa, at its regular meeting held on the 4th day of May 2021, by the following vote:

AYES:

NOES:

ABSENT:

Ann Marie Johnson, President

ATTEST: _____
Nicole Genzale, District Secretary

TITLE: Rescind Authorization for Task Order No. 11 with Zone 7 Water Agency under the Tri-Valley Intergovernmental Reciprocal Services Master Agreement for Tri-Valley Potable Reuse Preliminary Studies and Community Outreach and Education

RECOMMENDATION:

Staff recommends the Board of Directors rescind, by Motion, the authorization for Task Order No. 11 with Zone 7 Water Agency under the Tri-Valley Intergovernmental Reciprocal Services Master Agreement for Tri-Valley Potable Reuse Preliminary Studies and Community Outreach and Education.

SUMMARY:

On December 17, 2019, the DSRSD Board of Directors authorized the General Manager to execute Task Order No. 11 with Zone 7 Water Agency (Zone 7) under the Tri-Valley Intergovernmental Reciprocal Services Master Agreement for Tri-Valley Potable Reuse Preliminary Studies and Community Education and Outreach, with a financial commitment not to exceed \$250,000 (Task Order). Zone 7 and the City of Livermore also approved the Task Order in late 2019 and early 2020. The City of Pleasanton delayed acting, and on February 2, 2021 voted against funding the Task Order. As a result of Pleasanton’s decision to withdraw its participation, on April 21, 2021 Zone 7 approved rescinding the Task Order and funding the studies directly from Zone 7 treated water rates and connection fees, which distributes costs more equitably between the retailers and ensures that the studies will continue. Based on Zone 7’s action to fund the Task Order studies directly, staff recommends that the DSRSD Board of Directors rescind the authorization for Task Order No. 11.

BACKGROUND:

Beginning in 2014, the Tri-Valley Water Liaison Committee, which includes elected representatives from the Cities of Pleasanton, Dublin, Livermore, and San Ramon, DSRSD, Zone 7, and California Water Service (Cal Water), held numerous water policy roundtables and meetings to discuss water supply issues in the Tri-Valley. In February 2016, the Tri-Valley Water Liaison Committee agreed to move forward with a potable reuse study. The results of the Joint Tri-Valley Potable Reuse Technical Feasibility Study, completed in May 2018, found that a regional potable reuse project is feasible and could meet 7–15% of the buildout water demands of the Tri-Valley based on approved General Plans.

In April 2019, Zone 7 prepared a 2019 Water Supply Evaluation Update, which reaffirmed and clarified the need to pursue multiple water supply options to enhance the long-term water supply reliability for the Tri-Valley. Potential water supply options identified in the 2019 Water Supply Evaluation Update included Sites Reservoir, Los Vaqueros expansion, potable reuse, water transfers, WaterFix (now called Delta Conveyance), and regional desalination.

On June 24, 2019, the Tri-Valley Liaison Committee met and agreed to move forward with additional collaborative efforts to (1) further study the technical and intuitional feasibility of potable reuse, (2) continue to evaluate other water supply reliability options, and (3) develop a community and engagement program to educate the Tri-Valley residents and businesses on the region’s water supply challenges and potential solutions. Except for Cal Water, Committee representatives for the Tri-Valley water agencies (Zone 7, DSRSD, Pleasanton, and Livermore) expressed support for jointly funding the costs of the additional work. Cal Water, a private investor-owned utility, indicated that due to its budgeting process, it was unable to commit at the time, but could potentially share study costs in the future.

Task Order No. 11:

On December 17, 2019, the DSRSD Board of Directors authorized the General Manager to execute Task Order No. 11 with Zone 7 under the Tri-Valley Intergovernmental Reciprocal Services Master Agreement for Tri-Valley Potable Reuse

Originating Department: Office of the General Manager	Contact: J. Lee	Legal Review: Not Required
Financial Review: Not Required	Cost and Funding Source: N/A

		49 of 281

Preliminary Studies and Community Education and Outreach, with a financial commitment not to exceed \$250,000. The Tri-Valley Intergovernmental Reciprocal Services Master Agreement was executed in 2014 by DSRSD, Zone 7, and the Cities of Dublin, Pleasanton, Livermore, and San Ramon, as a framework for agencies to share resources that support government functions. The intent is to save time and money between the agencies by streamlining processes that are of similar nature. DSRSD has completed eight task orders under the Tri-Valley Intergovernmental Reciprocal Services Agreement to date.

Task Order No. 11 lists the various studies and programs that Zone 7, Livermore, DSRSD, and Pleasanton agreed to collaborate on and jointly fund and manage. As recommended by the Tri-Valley Liaison Committee on July 24, 2019, these collaborative studies include technical studies related to potable reuse and the local groundwater basin and a community outreach program to educate the Tri-Valley residents and businesses on the region's water supply challenges and potential solutions. The parties agreed that Zone 7 would serve as the contract administrator for consulting services, and that the studies and programs would be overseen by a Steering Committee and Project Management Committee, comprised of representatives from each of the partner agencies. The total cost of the joint efforts was estimated at \$1 million, with each party agreeing to pay an equal share up \$250,000. DSRSD planned to fund its portion of the work under Task Order No. 11 from the District's Capital Improvement Program Potable Water Supply Reliability Project (CIP 16-W009). A copy of Task Order No. 11 is provided as Attachment 1.

Status of Collaborative Studies:

Zone 7 and the City of Livermore approved the Task Order in late 2019 and early 2020. However, the City of Pleasanton delayed acting on the Task Order. In mid-2020, Zone 7, DSRSD, and Livermore agreed to proceed with the Task Order under the existing budget authorized by the three agencies. With input from the retailers, Zone 7 selected a consultant in 2020 to prepare and implement the Tri-Valley Water Reliability Public Information Program. Work on this outreach program is currently underway. Zone 7 is also planning to award a contract for a consultant in May 2021 to perform a Desktop Groundwater Contaminant Mobilization Study. This study will help Zone 7 better understand the local groundwater basin and the movement of contaminants in groundwater, including arsenic, Hexavalent Chromium (Cr6) and per- and polyfluoroalkyl substances (PFAS). Both the public outreach program and groundwater studies have broad benefits and are not specific to potable reuse.

On February 2, 2021, the Pleasanton City Council voted 3-2 to withdraw its support for funding the Task Order due to concerns with potable reuse. As a result, staff from DSRSD and Livermore suggested that Zone 7 consider funding the Task Order studies directly from the treated water rates. Zone 7 is responsible for assuring a reliable and sustainable water supply and building the costs for public outreach efforts and technical groundwater and potable reuse studies directly into Zone 7's wholesale rates which is consistent with how Zone 7 funds other water supply reliability efforts. This funding mechanism would also address financial equity concerns across the Tri-Valley. With Pleasanton's decision to withdraw from the joint studies, Livermore was concerned with paying an equal share of the study costs given that Livermore has the smallest customer base.

DISCUSSION:

On April 21, 2021, the Zone 7 Board unanimously approved rescinding Task Order No. 11 under the Tri-Valley Intergovernmental Reciprocal Services Master Agreement and funding the studies directly from Zone 7 treated water rates and connection fees. Efforts identified under the original Task Order have been renamed as "Local Water Supply and Water Quality Studies" to reflect that the studies and outreach efforts that were originally identified as next steps in the 2018 Joint Tri-Valley Potable Reuse Feasibility Study have transitioned into broader water supply and water quality efforts that benefit overall water supply reliability and groundwater quality and management, including PFAS-related issues. The studies that will be funded by Zone 7 are provided as Attachment 2 and are identical to the efforts identified in the Task Order, except for the change in name and an increase in the Communications budget from \$200,000 to \$300,000. The schedule for the Local Water Supply and Water Quality Studies has also been updated. The more specific technical studies related to potable reuse are scheduled to begin in 2022.

Zone 7 plans to fund studies that are specific to potable reuse through connection fees since they relate to a new water supply. This is the same approach Zone 7 used to fund its portion of the 2018 Joint Tri-Valley Potable Reuse Feasibility Study. The public outreach program and other technical studies that have broad water supply reliability benefits would

be funded from the treated water rates. The change in funding structure will not change the active collaboration between Zone 7 and the retailers on the efforts identified in Attachment 2. Both the Steering Committee and Project Management Committees, where appropriate, are continuing to provide input and guidance on the studies currently underway.

Based on Zone 7's action to fund the Local Water Supply and Water Quality Studies directly from treated water rates, DSRSD staff is recommending that the Board rescind its approval for Task Order No. 11. This change will be reflected in the Ten-Year Capital Improvement Program (FY 2022–2031).

Tri-Valley Intergovernmental Reciprocal Services Master Agreement Task Order
Tri-Valley Potable Reuse Preliminary Studies and Community Outreach/Education

Issue Date:	
Partners:	City of Livermore, City of Pleasanton, Dublin San Ramon Services District, and Zone 7 Water Agency
Lead Agency/Administrative Party:	Zone 7 Water Agency
Lead Agency Task Order No.	11
Project Manager:	TBD – Varies based on task/program
Not-to-Exceed Amount:	\$1,000,000, for consulting services for various studies and programs, with a maximum amount of \$250,000 for each partner
Compensation Method:	The cost of consulting services under this Task Order shall be equally shared among the Partners. Within fourteen (14) days of receiving the last invoice each quarter from the consultants, Zone 7 shall provide an invoice to the Partners, which shall be payable within thirty (30) days.
Completion Date:	June 30, 2022
Insurance Requirements:	Partners agree that Zone 7's current insurance coverage is sufficient for the completion of the work under this Task Order.
Scope of Work, Budget, and Schedule:	See Attachment A for the program scope of work, budget, and schedule.

Tri-Valley Potable Reuse Preliminary Studies and Community Outreach and Education

Background

In May 2018, the partners completed the Joint Tri-Valley Potable Reuse Technical Feasibility Study, which demonstrated that it was technically feasible for a joint Tri-Valley Potable Reuse project to meet 7% - 15% of the build-out water demands of the Tri-Valley based on approved General Plans for the City of Livermore, the City of Pleasanton, the City of Dublin, and the City of San Ramon.

The 2019 Water Supply Evaluation Update (2019 WSE Update) completed by Zone 7 Water Agency (Zone 7) in April of 2019 reaffirmed and clarified the need to pursue water supply options to enhance long-term water supply reliability for the Livermore-Amador Valley. Potential future water supply, conveyance, and water storage options identified in the 2019 WSE Update include Sites Reservoir, Los Vaqueros Reservoir, potable reuse, short- and long-term water transfers, the California WaterFix (since renamed the Delta Conveyance), and regional desalination.

At the July 24, 2019 meeting of the Tri-Valley Water Liaison Committee—which includes elected representatives from the cities of Dublin, Livermore, Pleasanton, San Ramon, Dublin San Ramon Services District (DSRSD), and Zone 7, as well as corporate representation by the California Water Service Company—discussed and supported further study of a regional potable reuse project. The Committee determined that joint collaborative efforts by the Tri-Valley water agencies should be undertaken to: 1) further technical and institutional study of potable reuse, 2) continue to evaluate other water supply reliability options, and 3) develop a community outreach/engagement program to educate the Tri-Valley residents and businesses on the region’s water supply challenges and potential solutions. Committee representatives from the cities of Pleasanton and Livermore, Dublin San Ramon Services District, and Zone 7 expressed support for joint funding of such efforts. The California Water Service Company, a private investor-owned utility, may become a partner in sharing the costs of further study at a later time.

Overview of Task Order

As part of its core mission, Zone 7 is responsible for assuring a reliable and sustainable water supply for the Tri-Valley. In fulfillment of this mission, Zone 7 is proceeding with a number of studies and programs, including a regional water demand study, a 2020 update of the Water Supply Evaluation, the Zone 7 2020 Urban Water Management Plan, as well as participation in Sites Reservoir, Los Vaqueros Reservoir Expansion, Delta Conveyance, the Bay Area Regional Desalination Project. Further studies to evaluate a regional potable reuse project will require collaboration, coordination, and consultation among the Tri-Valley water agencies. The funding water agencies (“partners” in this Task Order) desire to work in close partnership on further technical studies in support of a regional potable reuse project as well as a community outreach/engagement program on the need to bolster the Tri-Valley’s water supply reliability.

The partners intend for the studies and community outreach/engagement program to be jointly managed by a project/program management team consisting of staff from each agency.

This Task Order to the Intergovernmental Reciprocal Services Agreement lists the various studies and programs that the partners will collaborate on and jointly fund and manage, and which Zone 7 will be reimbursed for. These studies/programs include:

- Desktop Groundwater Contaminant Mobilization Study
- Groundwater Investigations
- Injection Well Siting Study
- Independent Advisory Panel
- Communications Program
- Other Efforts in Support of a Regional Potable Reuse Project

The scope of work for the studies and programs are further described in Attachment A – “Potable Reuse: Collaborative Studies and Other Efforts”. The estimated cost for each element is also listed in Attachment A, along with a preliminary schedule. Note that the program scope of work may be modified based on input from consultants and/or the Independent Advisory Panel.

The total cost of partners’ shared efforts is \$1 million. Although specific tasks, studies, and programs may vary from the amounts shown in Attachment A, the total joint effort will not exceed \$1 million without the execution of a subsequent Task Order or amendment by the participating agencies.

Initially, the four public water agencies—Zone 7, DSRSD, City of Pleasanton, and City of Livermore—will share in costs up to \$250,000 each. These water agencies will encourage the California Water Service Company to seek corporate approval and California Public Utilities Commission approval to participate in costs, up to \$200,000. If the California Water Service Company does participate, the portion of each water agency’s contribution will be reduced on a pro-rata basis, depending on the level of the California Water Service Company’s participation. A separate agreement may be warranted if the California Water Service Company participates at a later time.

Partner Responsibilities

Zone 7 and the retailers have formed a Steering Committee with representatives from all the agencies to oversee policy issues related to the studies and other program efforts. Additionally, a Project Management Committee consisting of technical staff has been formed to make recommendations on the selection of consultant(s), and the technical work of various studies and programs, with a designated project manager from one of the partner agencies. While California Water Service Company is not a partner in this Task Order, company representatives will participate in the Steering Committee and the Project Management Committee.

Zone 7 will serve as the Lead Agency, including serving as the contract administrator for consulting services, issuing RFP's, and awarding consulting contracts.

The representatives on the Steering Committee will agree on a project manager—selected from the partners' staff—who will serve as chairperson of the Project Management Committee. The project manager will facilitate the work of the team and coordinate with all the agencies.

Partners will be actively engaged in the studies and programs, providing any required data to the consultants, attending project and program meetings, providing timely review of draft materials, and providing direction and input to the consultants as part of the Project Management Committee.

The cost of consulting services shall be equally shared among the Partners. Within fourteen (14) days of receiving the last invoice from the consultants each quarter, Zone 7 shall provide an invoice to the Partners, which shall be payable within thirty (30) days. Zone 7 shall track all expenditures associated with the consulting services and provide quarterly summaries to the Partners.

Timing

The work under this task order is anticipated to be completed by June 30, 2022.

Insurance

No special requirements are associated with this Task Order. Parties agree that Zone 7's current insurance coverage is sufficient for Zone 7's completion of the work under this Task Order as the Lead Agency.

Non-Exclusive Agreement

This Task Order is based on the Tri-Valley Intergovernmental Reciprocal Services Master Agreement signed and dated on December 4, 2014. All other items not mentioned in this Task Order shall follow the Tri-Valley Intergovernmental Reciprocal Services Master Agreement and the associated requirements in Attachment B of the said agreement, including but not limited to, indemnification.

JOINTLY FUNDED POTABLE REUSE STUDIES AND OTHER EFFORTS*

(as of December 9, 2019)

TASK	DESCRIPTION	ESTIMATED CONSULTANT COST
Desktop GW Contaminant Mobilization Study	A consultant will evaluate the potential for groundwater contaminant mobilization if purified water is introduced to groundwater, and identify potential mitigation strategies. This could involve sampling of native groundwater and prediction of the water quality of purified water, geochemical analysis of soil samples, and evaluation of existing groundwater quality and well operations data. A desktop geochemical model (e.g., using Geochemist's Workbench software) will be used.	\$100,000
Groundwater Investigations (e.g., leaching study, tracer study)	Building on the results of the desktop study, a consultant will complete a field and laboratory study to better characterize the potential for contaminant mobilization and characterize the suitability of various locations for the siting of injection wells. Core samples will be collected from the groundwater basin and laboratory experiments will be conducted. A tracer study to evaluate travel times may also be completed.	\$400,000
Injection Well Siting Study	A consultant will guide site selection for potential injection wells through a detailed analysis of the groundwater basin's hydrogeology, expected travel time to production wells, infrastructure proximity and availability, land area to support construction and operation of the injection wellfield/s, optimization of Zone 7's salt management strategies, impacts to delivered water quality, etc. This will be coordinated with other related efforts being conducted over 2020/2021 (e.g., Contaminant Mobilization Study and Zone 7's Well Implementation Plan Update).	\$100,000
Communications	A consultant will develop a strategic plan for consistent regional communications on issues related to Tri-Valley water supply reliability, including the evaluation of options such as potable reuse. The consultant would also provide support in developing the appropriate materials, coordinating efforts amongst retailer and Zone 7 communications staff, conducting workshops, and other related efforts as-needed.	\$200,000
Independent Advisory Panel	A consultant will convene and facilitate a committee comprising technical, regulatory, and environmental experts in the area of potable reuse to address questions regarding project feasibility and optimization as well as addressing public concerns regarding safety etc. This body would provide an unbiased perspective, and would provide recommendations on next steps for the project after various efforts are completed in 2020 and 2021. The budget will also cover the participation of panelists (e.g., travel).	\$100,000
Other Efforts (e.g., institutional analysis, grants, etc.)	This item covers other efforts necessary to advance potable reuse, including tracking of grant opportunities and preparation of grant materials, institutional analysis to identify and evaluate potential arrangements among the agencies, etc.	\$100,000
TOTAL		\$1,000,000

*Scope and costs may be modified based on discussions with consultants and advice from the Independent Advisory Panel.

ZONE 7 FUNDED LOCAL WATER SUPPLY AND WATER QUALITY STUDIES^a

(as of April 2021)

TASK	DESCRIPTION	ESTIMATED CONSULTANT COST
Desktop GW Contaminant Mobilization Study	A consultant will evaluate the potential for groundwater contaminant mobilization if purified water is introduced to groundwater, and identify potential mitigation strategies. This could involve sampling of native groundwater and prediction of the water quality of purified water, geochemical analysis of soil samples, and evaluation of existing groundwater quality and well operations data. A desktop geochemical model (e.g., using Geochemist's Workbench software) will be used.	\$100,000
Groundwater Investigations (e.g., leaching study, tracer study)	Building on the results of the desktop study, a consultant will complete field and laboratory studies as warranted to better characterize the potential for contaminant mobilization and characterize the suitability of various locations for the siting of injection wells. TITLE: Receive Presentation on the Zone 7 Water Agency 2021 Annual Sustainability Report and Conservation Messaging and Provide Direction

RECOMMENDATION:

Staff recommends the Board of Directors receive a presentation on the Zone 7 Water Agency 2021 Annual Sustainability Report and conservation messaging and provide direction.

DISCUSSION:

Zone 7 Water Agency’s (Zone 7) Water Supply Reliability Policy requires an annual review of sustainable water supplies and demonstration of Zone 7’s ability to meet water delivery requests over the next five years. The findings of this review are summarized in the Annual Sustainability Report that is presented to the Zone 7 Board each April and used by Zone 7 to determine whether a water shortage condition exists, and the associated response actions that need to be implemented. Any such actions would be coordinated with the Tri-Valley’s treated water retailers, including DSRSD.

On May 4, the DSRSD Board will receive a presentation (Attachment 1) on Zone 7’s 2021 Annual Sustainability Report. The report shows that Zone 7 can deliver 100% of requested water deliveries in 2021 and 2022, despite critically dry conditions and low incoming supplies from the State Water Project (5% allocation in 2021), and assuming conditions remain critically dry in 2022 (10% State Water Project allocation). Zone 7 also expects to meet demands over 2023–2025, assuming average conditions return over that time period. To meet 2021 demands, Zone 7 plans to use significant quantities of groundwater and surface water from storage and acquire water transfers.

The 2021 Annual Sustainability Report assumes that Zone 7 will meet the full treated water delivery requests from the retailers and does not reflect any conservation savings over the five-year period. Even though Zone 7 is currently not anticipating water shortages in 2021, Zone 7 has issued a request to the Tri-Valley community to voluntarily reduce water usage and use water wisely. Water saved this year helps protect against continuing dry conditions next year and lessens the quantity of water Zone 7 needs to withdraw from storage and/or purchase on the water transfer market in subsequent dry years. Actual Zone 7 water demands for 2021 are tracking lower than delivery requests.

DSRSD has been coordinating with Zone 7 to promote the need for voluntary conservation. Examples of conservation messaging include:

- Social media posts on drought conditions, water conservation tips, rebates, and fixing leaks
- Water conservation tips flyer for businesses that will be distributed via the Dublin Chamber of Commerce quarterly newsletter (Attachment 2)
- Reminders to the District’s recycled water customers on the need to use recycled water efficiently and prepare for the upcoming irrigation season by conducting a thorough inspection of the irrigation system and repairing any leaks

The District is also in the process of preparing its 2020 Urban Water Management Plan (UWMP). The UWMP is updated every five years and is required to be submitted to the State by July 1, 2021. The UWMP is a planning document which evaluates water deliveries and uses, water supply sources and long-term conservation and demand management efforts. The UWMP includes a comprehensive Water Shortage Contingency Plan that details various actions for responding to future water supply shortage conditions. These actions vary depending on the severity of the water supply shortage. Actions that may be implemented to reduce water use include expanded public information campaigns, drought rate surcharges, mandatory restrictions on outdoor water use, and enforcement of water prohibitions. The Board is scheduled to receive a presentation on the UWMP and Water Shortage Contingency Plan on June 1, 2021.

Staff recommends that the Board receive a presentation on the 2021 Annual Sustainability Report and take no formal action at this time, as Zone 7 is not currently projecting water supply shortages for 2021. Staff will continue to coordinate closely with Zone 7 and the other retailers on conservation messaging to businesses and residents. Staff will also monitor evolving drought conditions and the effect of conservation efforts and keep the Board apprised of any changes.

2021 Annual Sustainability Report

May 4, 2021

Cumulative local/State rainfall is below normal

Zone 7 expects to receive 5% allocation from the State Water Project

Zone 7 will maximize recovery of water from the Kern Groundwater banks

Zone 7 plans to acquire water transfers of up to 10,000 acre-feet

WATER \$AVING TIPS

FOR BUSINESSES

Join the Dublin San Ramon Services District in helping to save water and preserve your supply

THIS IS OUR SECOND DRY YEAR IN A ROW. HOW MANY MORE WILL BE DRY? WE DON'T KNOW.

How can businesses use water wisely?

- Increase employee awareness and seek employee suggestions on wise water use
- Repair dripping faucets and other plumbing such as running/leaking toilets
- Install water-efficient dishwashers, showerheads, pre-rinse spray valves, faucets, clothes washers, and flow reducers
- Eating and drinking establishments: serve water only upon request
- Hotels and motels: allow guests to choose to not have towels and linens laundered daily by displaying a written notice in each guest room.

Outdoors

- Enlist your landscape maintenance company or property manager in conserving water
- Irrigate landscape early in the morning or late at night to reduce evaporation
- Avoid runoff by setting sprinklers to cover only the lawn/garden—not sidewalks or driveways.
Or even better, choose drip irrigation
- Adjust irrigation controllers for the seasons. Watering two to three times a week is usually plenty in summer
- Convert water-guzzling grass to water-efficient landscapes
- Wash company vehicles less often and, when possible, use a car wash that recycles its wash water
- Use a broom instead of a hose to clean pavement

DSRSD and water wholesaler Zone 7 Water Agency offer rebates to commercial/nonresidential customers for both smart irrigation controllers and conversion to water-efficient landscaping. To learn how to qualify and apply for a rebate, visit www.dsrdsd.com/outreach/water-conservation/rebates-freebies

**Dublin San Ramon
Services District**

Water, wastewater, recycled water

Each year Dublin San Ramon Services District provides customers with an *Annual Water Quality Report* that compares the quality of our drinking water with state and federal standards. We publish the report online to reduce costs and save paper and energy and mail printed copies on request.

Visit www.dsrds.com/water-quality-report to read or print the report.

To request a printed copy:
email CustomerService@dsrds.com
or call (925) 828-8524.

YOUR ANNUAL WATER QUALITY REPORT IS AVAILABLE ONLINE

A MESSAGE FROM THE GENERAL MANAGER

On behalf of the Dublin San Ramon Services District Board of Directors, I am pleased to present the 2020 Water Quality Report which provides our customers with important information about their drinking water. The District purchases drinking water from Zone 7 Water Agency. The results of the water quality monitoring performed by Zone 7 Water Agency and the District confirm that water delivered to District water customers met all state and federal standards in 2020.

Regarding the pandemic, I assure you that the District and our water wholesaler, Zone 7 Water Agency, are committed to providing safe drinking water. Part of the water treatment process that makes it safe to drink is the removal all viruses, including the coronavirus. Zone 7 Water Agency meets, and in most cases exceeds, all stringent state and federal drinking water requirements. This is the essence of what water agencies do.

Building a Resilient Water Supply

Since the extreme drought of 2014-15, the District has been working with water agencies in the Tri-Valley and Bay Area to increase the resiliency of our water supplies against droughts and other natural disasters. Watch our website for more information.

Forever Chemicals in the Water

Per- and polyfluoroalkyl substances (PFAS) are a large group of manmade chemicals that have been used extensively since the 1940s in common consumer products designed to be waterproof, stain-re-

sistant, or nonstick. In addition, they have been used in fire-fighting foam and various industrial processes. PFAS are contaminants of emerging concern in drinking water due to a host of potential health impacts and the tendency of PFAS to accumulate in groundwater.

Zone 7 Water Agency, DSRSD's water wholesaler, actively monitors for PFAS in its water supplies and has taken actions to protect the public from PFAS exposure. The agency actively monitors the groundwater and uses reverse osmosis membrane filtration plus blending of water sources to reduce PFAS levels below regulatory limits. Zone 7 did not detect any PFAS in its treated surface water, which is the source of most of the DSRSD's drinking water. The agency detected some PFAS in groundwater sources, which were blended and/or treated below the State response level. See page four for more information.

Use Water Wisely

This year was dry and 2021 is also looking to be a very dry year. As we prepare for the second year of a drought, this is a good reminder to use water wisely. Water conserved today protects us if next year is another dry year. Water conservation is a way of life in California.

Dan McIntyre
General Manager

TITLE: Approve Continuation of District's State of Emergency in Response to COVID-19 Pandemic by General Manager and Find that the Need for the District's State of Emergency Still Exists

RECOMMENDATION:

Staff recommends the Board of Directors receive a verbal update on the COVID-19 emergency and approve, by Motion, a continuation of the State of Emergency response to the COVID-19 pandemic, as declared by the General Manager and confirmed and ratified by Resolution No. 26-20, and find that there exists a need for continuing the District's COVID-19 emergency which the Board last confirmed on April 20, 2021.

DISCUSSION:

On March 16, 2020, the first Bay Area Shelter-in-Place (SIP) orders were issued to meet the challenges of the COVID-19 pandemic. Governor Newsom issued a statewide SIP order on March 19, 2020. The SIP orders, which continue to be modified in response to changing conditions, limit the operations of certain businesses and activities to protect public health and slow the spread of the virus. The SIP orders provide an exception for the operations and maintenance of "Essential Infrastructure," which includes, but is not limited to, water, wastewater, and recycled water service.

On March 16, 2020, the General Manager, as the District's Emergency Manager per the Emergency Response Plan policy (P300-16-2), declared a District State of Emergency to allow for essential operations to continue, and to ensure operational flexibility in meeting the challenges of COVID-19, while providing vital water and sewer services that are needed to protect public health and the environment. District emergency plans were aggressively implemented.

On March 25, 2020, the Board of Directors approved Resolution No. 26-20, which confirmed the continuation of the District State of Emergency, and directed the General Manager to report on progress at least at every regularly scheduled meeting until the State of Emergency is terminated.

Since the first SIP order was issued on March 16, 2020, the State of California, Alameda County Health Officer, and California Division of Occupational Safety and Health (Cal/OSHA) have implemented and modified a number of COVID-19 restrictions that affect DSRSD's safety practices and operations.

Both Alameda County and Contra Costa County remain in the Orange Tier (Tier 3) under the State's four-tier system for reopening the economy. Public health officials are observing a slight uptick in hospitalization and positive case rates, but overall conditions are stable. Governor Newsom has announced plans to end the tier system and fully reopen the economy on June 15, provided that (1) sufficient vaccine supply is available for Californians 16 years and older who wish to be inoculated and (2) hospitalizations rates remain stable and low. With the ending of the tier system, offices would be allowed to reopen in compliance with Cal/OSHA emergency temporary standards and public health guidelines, which currently include social distancing and masking requirements.

The COVID-19 Task Force is developing a Safe Return to Work Plan to gradually transition back to "normal" operations. The key elements of the Safe Return to Work Plan include (1) ongoing changes to District COVID-19 practices and procedures to align with evolving State and local public health orders and guidance that are being modified as conditions improve; (2) a phased approach to returning our remote workers back to the office; (3) reopening the District Office to the public; and (4) options for resuming in-person Board meetings. Staff plans to brief the Board on the details of the Safe Return to Work Plan on June 15.

The COVID-19 emergency continues in the District's service area. To assure proper staffing and support of critical operational functions, staff is requesting the Board find that there still exists a need to continue the State of Emergency reflected by Resolution No. 26-20.

TITLE: Approve Proposed Livermore-Amador Valley Water Management Authority (LAVWMA) Operation and Maintenance Budgets for Fiscal Years Ending 2022 and 2023

RECOMMENDATION:

Staff recommends the Board of Directors approve, by Motion, the proposed Livermore-Amador Valley Water Management Authority (LAVWMA) budgets for fiscal years 2021–2022 and 2022–2023 for the operation and maintenance of the LAVWMA facilities.

SUMMARY:

In conformance with the District’s long-term financial planning and as the contract operator of facilities for LAVWMA, the District prepares the operation and maintenance (O&M) budget proposals for a two-year fiscal term for District Board approval. The proposed budgets include costs for labor, utilities, materials/supplies, laboratory analysis, and contractual services to convey treated wastewater to the discharge point in the San Francisco Bay for Livermore, Pleasanton, Dublin, and San Ramon customers.

- The proposed fiscal year 2021–2022 budget is \$2,558,901 or approximately \$762 per million gallons based on an estimated annual flow of 3,358 million gallons.
- The proposed fiscal year 2022–223 budget is \$2,613,049 or approximately \$782 per million gallons based on an estimated annual flow of 3,340 million gallons.

BACKGROUND:

LAVWMA is a joint powers agency created in 1974 by the Cities of Livermore and Pleasanton and the Dublin San Ramon Services District for the purpose of discharging their treated wastewater to the San Francisco Bay. Operations began in September 1979 with expansions in 1983, 1987 and 2003 bringing current maximum discharge capacity to 41.2 million gallons per day (MGD). The LAVWMA pump station facility is equipped with three (3) flow-equalization basins with a total storage capacity of 18 million gallons. The City of Livermore’s treated wastewater flows 6.6 miles to the LAVWMA Junction Structure, where DSRSD’s effluent blends with the Livermore wastewater treatment plant effluent. The LAVWMA pump station pumps the combined treated wastewater and conveys it via a 16-mile pipeline from Pleasanton to the San Leandro Sample Station (a control point) where it enters the East Bay Dischargers Authority (EBDA) system for dechlorination at the Marina Dechlorination Facility and is discharged by gravity through a deepwater outfall to the San Francisco Bay.

The LAVWMA regulatory requirements are included in the adopted Regional Water Board’s National Pollutant Discharge Elimination System (NPDES) permit for DSRSD and City of Livermore and include a Wet Weather Facilities Operations Plan.

The Agreement for Maintenance of LAVWMA Facilities between LAVWMA and DSRSD, dated January 15, 1980, bestowed the responsibilities to DSRSD to perform all required O&M tasks regarding LAVWMA facilities necessary for LAVWMA to meet its obligation for the transmission of treated effluent. The agreement also requires that both LAVWMA and the District shall prepare and adopt a budget regarding the O&M costs anticipated to be incurred in the upcoming fiscal year which shall contain a “not-to-exceed” amount for control purposes.

Originating Department: Operations	Contact: J. Carson	Legal Review: Not Required
Financial Review: Yes	Cost and Funding Source: \$2,558,901 (Year 1) and \$2,613,049 (Year 2) - LAVWMA Operating Fund	
Attachments: <input type="checkbox"/> None <input type="checkbox"/> Resolution <input type="checkbox"/> Ordinance <input type="checkbox"/> Task Order <input type="checkbox"/> Proclamation <input checked="" type="checkbox"/> Other (see list on right)	Attachment 1 – LAVWMA Proposed O&M Budgets FYE 2022 and FYE 2023 Attachment 2 – Budget History	

DISCUSSION:

The proposed budgets include funding for labor, materials, and services to provide the O&M services. The proposed budget for fiscal year ending (FYE) 2022 has a 2.29% reduction (-\$59,871) from the current FYE 2021 approved budget. The noteworthy items of interest:

- Labor has the largest reduction (-\$42,341) in the proposed budget from the current FYE 2021 budget which contains more labor-intensive items.
- New one-time items include routine annual monitoring service for pump station and rectifier panels (\$23,000), medium voltage switchgear three-year Preventative Maintenance (\$20,000) for a total one-time cost of \$43,000.
- The electrical utility budget has reduced (-\$60,530 in FYE 2022) due to the flexibility of the LAVWMA pump station to pump in off-peak hours and avoid the new Time of Use (TOU) operation hours and projected flows. This is the first year LAVWMA is operating in the PG&E revised premium rate hours program. Items outside of the operational control for electricity include Public Safety Power Shutoffs and State rolling blackouts.

Staff submitted an initial draft of the proposed O&M budget to LAVWMA General Manager Chuck Weir in early March for his review. Based on Mr. Weir's comments on April 6, staff updated the budget and incorporated the recommendations including increasing the labor 10% (\$88,000).

The LAVWMA Board is responsible for approval of the overall LAVWMA budget and is anticipated to meet on May 19, 2021 to review and consider for adoption its budget.

The District's contribution of 35% to the fixed operating cost of the LAVWMA program will be included in the District's upcoming two-year budget that the District Board is anticipated to review and consider for adoption on June 1, 2021.

FY 2021-2022 LAVWMA OPERATION & MAINTENANCE BUDGET

SUMMARY:

TITLE: Receive Presentation and Support the Proposed DSRSD-EBMUD Recycled Water Authority (DERWA) Operation and Maintenance Budgets for Fiscal Year 2021-2022 and Fiscal Year 2022-2023

RECOMMENDATION:

Staff recommends the Board of Directors receive a presentation and support, by Motion, the proposed DSRSD-EBMUD Recycled Water Authority (DERWA) budgets for fiscal year 2021-2022 and fiscal year 2022-2023 for the operation and maintenance of the DERWA facilities.

SUMMARY:

The operation and maintenance (O&M) total budget request to produce and distribute recycled water for the next two fiscal years (FY) are:

- FY 2021-2022 proposed budget – \$3,599,940
- FY 2022-2023 proposed budget – \$3,655,850

The proposed DERWA O&M budget includes an 16% overall increase from last year’s adopted budget for FY 2021-2022 (\$472,700); followed by an increase of 1.5% in FY 2022-2023 (\$56,000).

Significant overhauls and replacements continue for the Jeffrey G. Hansen Water Recycling Plant’s infrastructure and the proposed budgets will support these efforts needed to sustain a reliable level of service and operation of the 15-year-old facilities. The materials/supplies and laboratory expenses make up \$2.16M, which is more than half of the total budget for FY 2021-2022, and \$2.22M for FY 2022-2023. The system is being operated closer to full capacity and critical spare parts make up a large part of the materials/supplies and are needed to support the reliability and resiliency of the treatment and distribution.

Operations projected a higher electrical utility cost due to the new PG&E Time of Use premium rates. The electricity to operate the Jeffrey G. Hansen Water Recycling Plant and Distribution System is roughly \$1.06M for FY 2021-2022 and \$1.17M for FY2022-2023. The electricity alone is 29% of the total proposed budget for FY 2021-2022 and 32% of the total proposed budget for FY 2022-2023.

BACKGROUND:

To improve the reliability of the Tri-Valley’s water supply, particularly in dry years, Dublin San Ramon Services District (DSRSD) and East Bay Municipal Utility District (EBMUD) entered into a Joint Exercise of Powers Agreement in 1995 and created the DSRSD-EBMUD Recycled Water Authority (DERWA) to implement the San Ramon Valley Recycled Water Program and build the Jeffrey G. Hansen Water Recycling Plant and a backbone recycled water distribution system.

In 2014, the City of Pleasanton joined the recycled water program and entered into an agreement with DERWA for recycled water treatment and delivery services. Pleasanton started receiving recycled water supply starting with Val Vista Park adjacent to the plant.

The DERWA Operations Agreement executed in May 2005 bestowed the responsibilities to DSRSD to operate and maintain the DERWA program facilities as required to deliver recycled water to DSRSD and EBMUD recycled water customers. Article 3B of the Operations Agreement requires that DSRSD shall prepare a biennial operation and maintenance budget that must be submitted to the DERWA Authority Manager for review and inclusion in the annual DERWA budget for the DERWA Board’s consideration.

DISCUSSION:

DSRSD prepares the DERWA two-year budget for consistency with DSRSD's two-year budget cycle; however, DERWA adopts its budget one fiscal year at a time under the 1995 joint exercise of powers agreement. The last two fiscal years of adopted DERWA budgets captured the true DSRSD labor costs and maintenance needed to perform the full breadth of operations and maintenance tasks for the plant and distribution system covered in the DERWA Operations Agreement. These tasks consisted of the start of significant overhauls and rehabilitation to the Jeffrey G. Hansen Water Recycling Plant, ongoing baseline maintenance, operational changes due to the higher treatment capacity and regulatory requirements, and periodic one-time replacements due to the aged equipment. Intense maintenance continues as well as the buildup of the spare parts inventory that have a long delivery time.

The flexibility to troubleshoot the Jeffrey G. Hansen Water Recycling Plant's issues during production has been reduced due to the recycled water production running closer to the rated capacity on average and at capacity at peak demand. This mode of high operation requires more assets in service, and more stringent treated recycled water requirements, especially over 12.3 million gallons per day production. Moving forward, this reduced flexibility means equipment within the plant must be fully reliable to prevent unexpected shutdowns within the span of control. Presently, there is no backup to the sand filtration process (limited recycled water treatment backup by the microfiltration process), sand filtration ultraviolet light disinfection, and no extra storage in the distribution system. The recycled water system is designed as if it is an interruptible supply; however, the customers have never experienced a serious interruption.

To address the challenges of increasing maintenance of a facility being run at a higher level requires additional activities and acquisition of parts and materials to have in stock on site. Some of these changes are highlighted below.

The proposed budget includes funding for the Jeffrey G. Hansen Water Recycling Plant, the Microfiltration facility, and the distribution pump stations/recycled water supply pipeline known as the "DERWA Backbone." The system has aged, yet the treatment plant is operating at capacity during peak summer periods to meet the system demands. The Jeffrey G. Hansen's Water Recycling Plant is operating under a permit with increasing regulatory requirements. The current and future challenge has been the weather patterns and available time off season to perform the needed maintenance to the plant. For example, the 2020 recycled water season started very early due to the lack of precipitation and triggered a rush to complete one of the major overhaul projects to the sand filters ultraviolet light disinfection. If drought-like conditions continue, it may create a challenge to implement the fully recommended improvements.

The total demand of the 2020 recycled water irrigation season (January through December 2020) was an 11% increase from the previous season. The proposed budget's projected irrigation demands are increasing 0.9% per year. The proposed DERWA budget for FY 2021-2022 and FY 2022-2023 includes the following noteworthy items of interest:

- The materials/supplies and laboratory expenses make up half of the total DERWA proposed budgets. Spare parts make up a large part of the materials/supplies needed as DERWA continues operating towards full capacity. Electrical parts increase from \$85,670 to \$157,500, replacement components for the ultraviolet system increase from \$106,500 to \$216,500, and miscellaneous mechanical parts increase by \$20,000.
- The electricity (PG&E) makes up over half of the materials/supplies budget. There will be an increase in PG&E costs from \$787,500 to \$925,000.
- The COVID pandemic impacted the previous budgeted items. Items such as the UPS (uninterruptible power supply) upgrades have been carried over. The upgrades were not started due to COVID delays. This is a one-time carryover to complete the project.
- The additional source water that has been secured to meet peak demands through agreement between Central Contra Costa Sanitary District and DERWA impacts this budget due to the additional sewage that will undergo full secondary treatment before flowing to the recycled water treatment process. This treatment costs \$20,720 per year.

On January 25, 2021, staff submitted the proposed O&M two-year budgets to DERWA Authority Manager John Rossi for review. The DERWA Board is responsible for approval of the overall DERWA budget and will review and consider adoption of the budget at its regular meeting on May 17, 2021.

The District's contribution of 54.4% to the operating cost of the DERWA program will be included in the District's upcoming two-year budget that the District Board is anticipated to review and consider for adoption on June 1, 2021.

PROPOSED DERWA O&M BUDGET FOR FISCAL YEAR 2021-2022 (YEAR 1)

Summary:		<u>Total</u>	<u>Treatment</u>	<u>Distribution</u>	<u>Non-Recurring</u>
	LABOR	\$1,147,960	\$803,700	\$344,260

TITLE: Receive Presentation on a Preview of Operating and Capital Budgets for Fiscal Years Ending 2022 and 2023

RECOMMENDATION:

Staff recommends the Board of Directors receive a preview presentation on the Operating and Capital Budgets for fiscal years ending 2022 and 2023.

DISCUSSION:

In the spring following each Board of Directors biennial election, the Board of Directors considers and approves a new biennial operating budget and capital budget. This timing allows a newly constituted Board an opportunity to reflect its policy priorities through the budget process. The biennial operating budget and capital budget are approved on a fiscal year basis. The District’s next fiscal year will run from July 1, 2021, to June 30, 2022, and will be labeled in District documents as FYE 2022 for “fiscal year ending 2022.”

Following is the planned schedule for the Board’s review and approval of the biennial operating budget and capital budget for FYE 2022/FYE 2023:

- Staff delivers to Board of Directors hard copies of draft budget documents: May 5
- Board of Directors workshop for operating and capital budgets: May 18
- Public hearing to consider and approve operating and capital budgets: June 1

Staff will give a brief preview introduction to the operating and capital budget documents to facilitate Board review and study of the documents. Staff will be available for individual briefings over the following two weeks if the Board has questions about the proposed operating and capital budgets.

TITLE: Public Hearing: Adopt Engineer’s Report and Direct Levy of Annual Assessments in the Dublin San Ramon Services District Dougherty Valley Standby Charge District 2001-1 for Fiscal Year 2021–2022

RECOMMENDATION:

Staff recommends the Board of Directors hold a public hearing and adopt, by Resolution, the Engineer’s Report and direct the levy of annual assessments in the Dublin San Ramon Services District Dougherty Valley Standby Charge District 2001-1 for fiscal year 2021–2022.

DISCUSSION:

Each year, the Zone 7 Water Agency provides estimated costs associated with the California Department of Water Resources (DWR) State Water Project (SWP) specifically associated with providing water service to the Dougherty Valley area in the City of San Ramon. An Engineer’s Report is prepared annually that determines projected costs to be incurred in the upcoming fiscal year and the allocation of those costs based upon equivalent dwelling units (EDUs). The Board initially adopts a resolution of intention to levy the annual assessments, followed by a public hearing at the next Board meeting. After the public hearing, the Board adopts the Engineer’s Report and directs the levy of the assessments. These assessments are then placed on the Contra Costa County secured property tax roll.

The annual assessment for fiscal year 2021–2022 is \$1,303,941.96 for 7,636.916 EDUs or \$170.75 per EDU.

This action must be taken by the Board in order to levy assessments in the Dougherty Valley Standby Charge District 2001-1 for fiscal year 2021–2022. The Board adopted the Resolution of Intention on April 20, 2021, which is required prior to adopting the Engineer’s Report and directing the levy. Notices were published in the local newspaper on April 20, 2021 and April 26, 2021.

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT ADOPTING ENGINEER'S REPORT AND DIRECTING THE LEVY OF ANNUAL ASSESSMENTS IN THE DUBLIN SAN RAMON SERVICES DISTRICT DOUGHERTY VALLEY STANDBY CHARGE DISTRICT 2001-1 FOR FISCAL YEAR 2021–2022

WHEREAS, the Board of Directors (the “Board”) of the Dublin San Ramon Services District (the “District”), located in the Counties of Alameda and Contra Costa, has previously completed its proceedings in accordance with and pursuant to Article XIII D of the California Constitution and the Uniform Standby Charge Procedures Act, Sections 54984 *et seq.*, of the California Government Code (together, the “Act”) to establish the District’s Dougherty Valley Standby Charge District 2001-1 (the “Assessment District”); and

WHEREAS, under the Act, this Board is authorized to levy assessments each year for the Assessment District, and on April 20, 2021, this Board adopted Resolution No. 20-21. A Resolution of the Board of Directors of Dublin San Ramon Services District of Intention to Levy Annual Assessments in the Dublin San Ramon Services District Dougherty Valley Standby Charge District 2001-1 for Fiscal Year 2021–2022 (the “Intention Resolution”) and preliminarily approved a special Engineer’s Report (the “Engineer’s Report”) prepared pursuant to the Act for purposes of the levy of assessments for Fiscal Year 2021–2022 (the “Next Fiscal Year”); and

WHEREAS, as specified in the Intention Resolution, and upon notice as required by the Act, the Board held a Public Hearing on May 4, 2021, on the issue of the levy of the assessments for the Next Fiscal Year, and all persons desiring to be heard were given an opportunity to be heard, and all objections to the assessment were considered by this Board.

NOW, THEREFORE, IT IS RESOLVED by the Board of Directors of the Dublin San Ramon Services District, a public agency located in the Counties of Alameda and Contra Costa, California, and ordered as follows:

1. Objections and Protests. No objections or protests against the annual levy of assessments for the Assessment District, as a whole or as to any part thereof, or against the estimate of costs and the assessments, in whole or in part, were received prior to or at the Public Hearing.
2. Public Interest. The public interest, convenience and necessity require the levy of annual assessments within the Assessment District.
3. District Described. The Assessment District specially benefited and to be assessed to pay the costs and expenses thereof, and the exterior boundaries thereof, are as shown by the

Res. No. _____

assessment diagram thereof filed in the offices of the District, which map is made a part hereof by reference thereto.

4. Engineer's Report Approved. The Engineer's Report, filed with the District Secretary and to which reference is hereby made for further particulars, including the estimates of costs and expenses, the apportionment of assessments, and the assessment diagram contained in the Engineer's Report, is hereby approved and confirmed and shall stand as the Engineer's Report for the Next Fiscal Year.

5. Benefits Determined. Based on the oral and documentary evidence, including the Engineer's Report, offered and received at the public hearing, this Board expressly finds and determines that each of the several subdivisions of land in the Assessment District, and each of the properties therein, will be specially benefited by continuing to receive water service.

6. Collection of Assessments. The assessments herein confirmed shall be collected in accordance with the provisions of Resolution No. 20-01. The "Finance Director" (as therein defined as the treasurer or chief financial officer of the District) is hereby authorized and directed to cause such collections to be made for the Next Fiscal Year.

7. Effective Date. This resolution shall be effective upon the date of its adoption.

ADOPTED by the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa, at its regular meeting held on the 4th day of May, 2021, and passed by the following vote:

AYES:

NOES:

ABSENT:

Ann Marie Johnson, President

ATTEST: _____
Nicole Genzale, District Secretary

TITLE: Public Hearing: Adopt Annual Dougherty Valley Incremental State Water Project Charge Report and Direct the Levy of the Dougherty Valley Incremental State Water Project Charge for Non-Governmental Parcels on the Contra Costa County Secured Property Tax Roll and for Government Potable Water Customers on Utility Bills

RECOMMENDATION:

Staff recommends the Board of Directors hold a Public Hearing and adopt, by Resolution, the Annual Dougherty Valley Incremental State Water Project Charge Report (the "DV Report") and direct the levy of the Dougherty Valley Incremental State Water Project Charge (the "DV Incremental SWP Charge") for non-governmental parcels on the Contra Costa County secured property tax roll and for government potable water customers on utility bills.

DISCUSSION:

On June 18, 2019, the Board of Directors adopted Resolution No. 22-19, establishing the DV Incremental SWP Charge under Section 4.40.010 and 4.40.020 of the District Code. The charge was established to recover the increment costs that exceeds the maximum Standby Charge Assessment Fee that can be recovered from the Dougherty Valley Standby Charge District 2001-1 ("DVSCD"). The Board directed staff to prepare an annual DV Report to determine the amount of the DV Incremental SWP Charge to be charged proportionately to all parcels within DVSCD.

Under the provisions of Section 4.40.120 (*Collection of water charges by use of tax roll*) of the District Code, the District may elect to use the tax roll for the collection of water service charges and fees or charges for other services related to water service, whether delinquent or not, for collection with and at the same time and in the same manner as property taxes, the proceedings shall be those set forth in Section 5473 of the California Health and Safety Code or those set forth in Section 61115(b) of the California Government Code.

Staff contracted with NBS to prepare the DV Report for fiscal year 2021-2022 describing each affected parcel of real property and the applicable charges for the forthcoming fiscal year to be collected on the property tax roll. The total annual incremental charge is \$490,261.94 or \$61.34 per equivalent dwelling unit (EDU). This action must be taken by the Board annually when levying the DV Incremental SWP Charge on the secured property tax roll in the County of Contra Costa for fiscal year 2021-2022.

On April 20, 2021, a written notice of the incremental charge to be placed on property tax roll for fiscal year 2021-2022 was mailed to Dougherty Valley parcel owners. The adjusted rates for the forthcoming year are posted on the District website. In addition, notices were also published in the local newspaper on April 20 and April 26, 2021.

1. INTRODUCTION

On May 1, 2001, the Dublin San Ramon Services District (the “District”) Board of Directors adopted Resolution No. 14-01, a Resolution Initiating Proceedings for the Levy of Standby Charges, and in it directed the preparation and filing of a report in writing (the “Engineer’s Report”) in accordance with and pursuant to Article XIII D of the California Constitution and the Uniform Standby Charge Procedures Act, Sections 54984 et seq., of the California Government Code (together, the “Act”) in and for the District’s Dougherty Valley Standby Charge District 2001-1 (the “Assessment District”).

Resolution No. 14-01 contemplated that the Standby Charges to be established based on the Engineer’s Report would be used to pay certain costs of the State Water Project incurred by the District under certain agreements between the District and Alameda County Flood Control and Water Conservation District, Zone 7 (Zone 7) regarding the provision of potable water service in Dougherty Valley in Contra Costa County.

For all District customers located in Alameda County, the corresponding costs of the State Water Project are collected directly by Zone 7 on the property tax rolls, but because Zone 7 lacks authority to collect these costs on the property tax rolls in Contra Costa County, it was necessary for the District to use another mechanism to collect those costs as a condition of the District being allowed to serve to the Dougherty Valley water delivered to Zone 7 from the State Water Project.

On June 19, 2001, after a duly noticed and held public hearing, by Resolution No. 20-01, the Board of Directors approved the establishment of the contemplated Assessment District and approved the Engineer’s Report with respect thereto and authorized the levy of assessments for Standby Charges (the “Assessments”) in the Assessment District to pay for certain costs of the State Water Project in amounts not to exceed those provided in the Engineer’s Report.

The Engineer’s Report calculated a maximum Standby Charge of \$170.75 for each Equivalent Dwelling Unit (EDU) within the Assessment District, which was the amount of the charge for which notice was provided pursuant to Proposition 218 in connection with the June 19, 2001 hearing.

Beginning in Fiscal Year 2019-2020, these State Water Project costs, when spread over the EDUs within the Assessment District, are projected to exceed the maximum Standby Charge specified in the notice provided pursuant to Proposition 218 in connection with the June 19, 2001 hearing.

On June 18, 2019, a public hearing was held and the Board of Directors established a Dougherty Valley Incremental State Water Project Charge (“SWP Charge”) to recover State Water Project costs that, when spread over the EDUs within the Assessment District, would exceed the maximum Standby Charge.

Sections 4.40.010 and 4.40.020 of the District Code allows the Board of Directors to establish a water use charge by separate ordinance or resolution.

Section 4.40.120 of the District Code allows the Board of Directors to elect to use the tax roll for the collection of water service charges and fees or charges for other services related to water service, whether delinquent or not, for collection with and at the same time and in the same manner as property taxes.

The Board of Directors desires to levy the DV Incremental SWP Charge for non-governmental parcel owners in the Assessment District on the Contra Costa County property tax roll.

The Board of Directors desires to charge governmental potable water customers a proportionate share of SWP Charge on their utility bills.

The following is made to cover the annual costs and expenses related to the SWP Charge.

SUMMARY OF CHARGE

Description	As Originally Approved	As Confirmed by the Board
Charges		
State Water Project Charge (Zone 7)	\$479,817.02	\$479,817.02
Administration		
Total Administration Costs	\$10,462.50	\$10,462.50
Total Costs	\$490,279.52	\$490,279.52
Incremental Charge Non-Governmental	\$468,441.67	\$468,441.67
Incremental Charge Governmental	5,769.70	5,769.70
Base Charge Governmental	16,061.23	16,061.23
Rounding Adjustment	<u>(11.36)</u>	<u>(11.36)</u>
Total Charge	\$490,261.24	\$490,261.24

2. ESTIMATE OF COSTS

2.1 DV Incremental SWP Charge Budget

The budget for the SWP Charge is outlined in the following table. The total annual charge per EDU is calculated using the same methodology as the Assessment for the Standby Charge District.

Cost Estimate

Description	Budget
Charges	
State Water Project Costs (Zone 7)	\$479,817.02
Administrative Charges & Fees	
District Administration Charge ⁽¹⁾	10,462.50
Total Costs	\$490,279.52
Incremental Charge Non-Governmental	\$468,441.67
Incremental Charge Governmental	5,769.70
Base Charge Governmental	16,061.23
Rounding Adjustment	(11.36)
Total Levy for Fiscal Year 2021-2022 ⁽²⁾	\$490,261.24
EDU for Fiscal Year 2021-2022	7,730.980
Incremental Charge Per EDU for Fiscal Year 2021-2022	\$61.34

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT ADOPTING THE ANNUAL DOUGHERTY VALLEY INCREMENTAL STATE WATER PROJECT CHARGE REPORT AND DIRECTING THE LEVY AND COLLECTION OF THE DOUGHERTY VALLEY INCREMENTAL STATE WATER PROJECT CHARGE ON THE CONTRA COSTA COUNTY PROPERTY TAX ROLL FOR FISCAL YEAR 2021-2022

WHEREAS, Section 4.40.010 and 4.40.020 of the District Code allows the Board of Directors to establish the Dougherty Valley Incremental State Water Project Charge (the “DV Incremental SWP Charge”); and

WHEREAS, on June 18, 2019, after a duly noticed and held public hearing, by Resolution No. 22-19 (the “Establishing Resolution”), the Board of Directors of the Dublin San Ramon Services District established the Dougherty Valley Incremental State Water Project Charge “DV Incremental SWP Charge” in the Dublin San Ramon Services District Dougherty Valley Standby Charge District 2001-1 (the “DV Properties”); and approved a separate report, Dougherty Valley Incremental State Water Project Charge Report (the “DV Report”) to be prepared annually for purposes of the levy of DV Incremental SWP Charge; and

WHEREAS, under Section 5473 of the California Health and Safety Code and Section 61115(b) of the California Government Code, the Board of Directors may provide that any charges and penalties may be collected on the tax roll in the same manner as property taxes; and

WHEREAS, Section 4.40.120 “Collection of water charges by use of tax roll” of the District Code allows the District to elect to use the tax roll for the collection of water service charges and fees or charges for other services related to water service, whether delinquent or not, for collection with and at the same time and in the same manner as property taxes; and

WHEREAS, the Board desires to levy the DV Incremental SWP Charge for non-governmental parcel owners within the DV Properties on the Contra Costa County secured property tax roll; and

WHEREAS, the Board desires to charge governmental potable water customers a proportionate share of Standby Charge assessments and DV Incremental SWP Charges on their utility bills; and

WHEREAS, written notice of collection of the DV Incremental SWP Charge on the Contra Costa County property tax roll for fiscal year 2021-2022 (the “Next Fiscal Year”) have been mailed to parcel owners for all affected parcels on April 20, 2021.

WHEREAS, the Board held a Public Hearing on May 4, 2021, on the issue of the levy of the service charges for the Next Fiscal Year, and all persons desiring to be heard were given an opportunity to be heard, and all objections to the levy were considered by this Board.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF DUBLIN SAN RAMON SERVICES DISTRICT, a public agency located in the Counties of Alameda and Contra Costa, California, as follows:

Res. No. _____

1. **Objections and Protests.** No objections or protests against the annual levy of DV Incremental SWP Charge for the DV Properties, as a whole or as to any part thereof, or against the estimate of costs and the service charges, in whole or in part, were received prior to or at the public hearing.

2. **Collection of Dougherty Valley Incremental SWP Charges.** The Board hereby elects to have those certain DV Incremental SWP Charges established by the District for water services collected on the tax roll of the County of Contra Costa, and in the manner provided pursuant to Section 5473 of the California Health and Safety Code and Section 61115(b) of the California Government Code and said resolutions of the District.

3. **DV Properties.** The DV Properties specially benefited and to be levied to pay the costs and expenses thereof are listed in the DV Report.

4. **Annual DV Report Approved.** The DV Report, in the form on file with the District Secretary and to which reference is hereby made for further particulars, including the estimates of costs and expenses, the apportionment of service charges contained in the DV Report, is hereby approved and confirmed and shall stand as the DV Report for the Next Fiscal Year.

5. **Benefits Determined.** Based on the oral and documentary evidence, including the DV Report, offered and received at the public hearing, this Board expressly finds and determines that each of the several subdivisions of land in the DV Properties will be specially benefited.

6. **Effective Date.** This resolution shall be effective upon the date of its adoption.

ADOPTED by the Board of Directors of Dublin San Ramon Services District, a public agency in the State of California, Counties of Alameda and Contra Costa, at its regular meeting held on the 4th day of May, 2021, and passed by the following vote:

AYES:

NOES:

Subject: Please bring back popular Residential Recycled water program

[EXTERNAL – check for red flags]

Greetings,

Faced with a tough, drought ahead, I urge you to consider reinstating the popular (and innovative, award winning) Residential recycled water program.

At its height in 2014/2015, it served many district residents from both the Dublin office and Pleasanton treatment locations.

When I recently reached out to your social media team on Facebook and email, they responded with all the reasons *not* to do this, but I appeal to your common sense to shift and adapt - just like you'll be asking the district residents to do - during the next year (or realistically 2 or 3 years). You have the tough parts already solved, and can improve upon past performance. Its a great way for the district to demonstrate agility at a time that we look to civic leaders to be responsible and transparent to the needs of those whom you serve.

I urge you to begin making plans to announce how residents can benefit (and hence help you normalize the acceptance - not controversy) of recycled water use. Look for the win-win and I'm confident you will find the right guiding principles to success.

Cheers!
-Greg Jones
